

## New York State Erosion & Sediment Control Certificate Program Implementation Review Course

**LOCATION: 4-H Training Facility 556 Middle Line Rd. Ballston Spa, NY**

**DATE: August 6<sup>th</sup> 8:30 am to 4:30 pm**

**August 7<sup>th</sup> 9 am to Noon**

Saratoga County Soil & Water Conservation District will be hosting the New York State Erosion & Sediment Control Certificate Program Implementation Course on Thursday August 6<sup>th</sup> from 8:30am to 4:30pm and continuing into Friday August 8<sup>th</sup>, 2020 from 9am to 12pm. Attendees should arrive a half hour before the class begins to register. This course will be instructed by Kelly Emerick, Monroe County SWCD, Dustin Lewis, Saratoga County SWCD, Jim Lieberum, Warren County SWCD and Jessica Verrigni Chemung County SWCD. This session is intended to prepare individuals who plan to sit for the NYSESCCP exam.

This course presents details of the New York State Erosion & Sediment Control Certificate Program to establish and maintain a process to identify and recognize individuals who are capable of developing, designing, inspecting and maintaining erosion and sediment control plans on projects that disturb soils in New York State. Presentations include regulatory history, permit requirements, site planning and management, NYS Erosion and Sediment Control Standards, as well as site plan review and construction inspections. Participants will calculate soil loss impacts, stormwater runoff volumes, fertilizer and seeding quantities, and key design elements of runoff and sediment control practices. Participants should bring a scale, calculator, the most current copy of the NYS General Permit for Stormwater Discharges from Construction Activity, and the NYS Standards and Specifications for Erosion and Sediment Control. This class can be counted for Professional Development Units (PDU's) for those that retain stormwater certifications in Certified Profession in Stormwater Quality (CPSWQ), Certified Professional in Erosion and Sediment Control (CPESC), and the New York State Erosion and Sediment Control Certificate (NYS ESCC).

The cost of attending this course is \$125/ per person. Pre-Registration is required. In order for this course to be offered, 10 attendees need to be registered otherwise the course will be cancelled. Return the bottom portion of this form, along with the registration fee, to Chemung County SWCD c/o Jessica Verrigni at 851 Chemung Street Horseheads, NY 14845 by July 31<sup>st</sup>, 2020. No refunds.

**QUESTIONS?** Contact Jessica Verrigni, CPESC, CPSWQ at 607-796-2216 or Email: [jbverrigni@stny.rr.com](mailto:jbverrigni@stny.rr.com)

**Methods of Payment:** Check Payable to Chemung County SWCD or Visa/Mastercard by phone
