LOCATION: Horseheads American Legion

71 Old Ithaca Road

Horseheads, NY 14845

DATE: July 26th & 27th, 2021

Chemung County Soil & Water Conservation District will be hosting the New York State Erosion & Sediment Control Certificate Program Implementation Course on Monday July 26th from 8:30am to 4:30pm and continuing into Tuesday July 27th from 9am to 12pm. This course will be instructed by Kelly Emerick, Monroe County SWCD, Dustin Lewis, Saratoga County SWCD, Jim Lieberum, Warren County SWCD and Jessica Verrigni Chemung County SWCD. This session is intended to prepare individuals who plan to sit for the NYSESCCP exam.

This course presents details of the New York State Erosion & Sediment Control Certificate Program to establish and maintain a process to identify and recognize individuals who are capable of developing, designing, inspecting and maintaining erosion and sediment control plans on projects that disturb soils in New York State. Presentations include regulatory history, permit requirements, site planning and management, NYS Erosion and Sediment Control Standards, as well as site plan review and construction inspections. Participants will calculate soil loss impacts, stormwater runoff volumes, fertilizer and seeding quantities, and key design elements of runoff and sediment control practices. Participants should bring a scale, calculator, the most current copy of the NYS General Permit for Stormwater Discharges from Construction Activity, and the NYS Standards and Specifications for Erosion and Sediment Control. This class can be counted for Professional Development Units (PDU's) for those that retain stormwater certifications in Certified Profession in Stormwater Quality (CPSWQ), Certified Professional in Erosion and Sediment Control (CPESC), and the New York State Erosion and Sediment Control Certificate (NYS ESCC).

The cost of attending this course is \$125/ per person. Pre-Registration is required. In order for this course to be offered, 10 attendees need to be registered otherwise the course will be cancelled.
