

JOB ANNOUNCEMENT

Comprehensive Nutrient Management Planner

Delaware County Soil & Water Conservation District

44 West Street, Suite 1, Walton, NY 13856

Contact: Gideon Frisbee, Technical Coordinator
607-865-7090

7/6/2023

Statement of Duties:

The selected candidate will be part of an interagency professional team responsible for the development and maintenance of Whole Farm Plans for the Watershed Agricultural Program (WAP) in the West of Hudson River portion of the New York City Watershed. The selected candidate will be required to adhere to the NYS AEM CNMP planning process and develop plans following USDA/NRCS Standards and Specifications.

Starting Salary and Benefits:

\$55,000 - \$70,000 starting salary, 100% Family Health Insurance, New York State Retirement System, Enhanced Short and Long Term Disability Benefits, NYS 457 Deferred Compensation Program, Vacation and Sick Leave benefits.

Special Note: Preference will be given to NYS AEM Certified Nutrient Management Planners. However, candidates in the process of certification are encouraged to apply. If a Certified Planner is not available, the DCSWCD will consider candidates who are eligible to begin or in the process of certification.

Minimum Requirements:

- A) Associate Degree in Agricultural Science, Soil Science, Natural Resources Management or closely related field and 4 years of experience in agriculture or natural resource management involving livestock and field crops;
OR
- B) Bachelor's Degree in Agricultural Science, Soil Science, Natural Resources Management or closely related field and 2 years of experience in agriculture or natural resource management involving livestock and field crops;
AND
- C) Certified Crop Advisor
AND
- D) A valid NYS Driver's License
AND
- E) Civil Service exam required following provisional appointment.
- F) NYS/AEM CNMP Planner Certification (**Preferred**)

Application Requirements:

Send Civil Service Application, cover letter and resume via e-mail to gideon-frisbee@dcswcd.org by August 11th, 2023. To access the Civil Service application, visit <https://www.delcony.us/departments/pers/application.htm> or www.delcony.us, and click on the Employment section. Click on the Application Form tab, located at the top of the left hand ribbon. Open the document with the Application Form button *at the bottom of the page*, then follow the instructions.

For more information, e-mail gideon-frisbee@dcswcd.org or call 607-865-7090.
