CONSERVATION DISTRICT TECHNICIAN**ROCKLAND COUNTY DIVISION OF ENVIRONMENTAL RESOURCES**

The Rockland County Division of Environmental resources is seeking a candidate to work in the Soil and Water Conservation District. The work is specialized, diverse, and can be technical in nature.

Job description: This position is responsible for the coordination and implementation of field work and educational programs and activities designed to preserve natural resources. In addition, the work also requires initiatives to bring awareness to environmental protection and conservation related efforts.

The work is performed under the direct supervision of a higher-level administrator and in accordance with guidelines established by the Soil and Water Conservation District, Environmental Management Council, and Water Quality Coordinating Committee.

Required Qualifications:

1. A Bachelor's degree or higher in Environmental Science, or comparable curriculum AND
2. One (1) year of work experience in environmental science based educational programs, workshops and/or field activities.

Other Requirements and Information:

- Residency in Rockland County is required for this position
- This is a competitive position in Civil Service and reachability on a test would be a requirement for permanent appointment

Salary and benefits are competitive with the public sector market including but not limited to the following:

- Hourly Salary
- 40 Hour work week, starting salary \$29.736295 hourly
- Medical, Dental, and Vision
- Time off including vacation, personal, and holiday time
- New York State Pension eligibility

Interested candidates should e-mail a completed Rockland County application along with resume and cover letter to Brianna Rosamilia at RosamilB@co.rockland.ny.us. Applications can be found at <https://rocklandgov.com/departments/personnel/guidelines-and-forms/>
