

Jessica B. Verrigni, CPESC, CPSWQ, Stormwater Program Technician
Schuyler County Soil and Water Conservation District
2400 Meads Hill Rd., Watkins Glen, NY 14891

(607) 483-1944, jessicaschuylerswcd@gmail.com, <http://www.schuylerswcd.com/>

Jessica Verrigni has been the Technician for Schuyler County Soil and Water Conservation District since December of 2022.

Jessica has been involved with the Phase II SPDES General Permits since 2003. In 2004 she became a Certified Professional in Erosion and Sediment Control (CPESC) and in 2007 obtained her Certified Professional in Stormwater Quality (CPSWQ).

Jessica has 26 years of technical experience with Soil and Water Conservation Districts. She has assisted many landowners and communities on water quality issues associated with both stormwater and agriculture. I

In her current position, she provides construction site inspections, outfall inspections, assists a Municipal Separate Storm Sewer System (MS4) community in maintaining compliance with their SPDES General Permit, and provides education and outreach on all aspects of stormwater management and regulations.

Jessica has a Bachelor's Degree in Plant Science/Environmental Studies from the State University of New York at Cobleskill.
