History and Function

There are 58 Soil and Water Conservation Districts (SWCD) in New York State with approximately 330 full and part time employees comprising the membership of the New York State Conservation District Employees' Association, Inc. (CDEA). CDEA was formed in March 1975, incorporated in 1983, and obtained 501(c)-6 tax-exempt status in 1989. CDEA operates with by-laws and policies detailed in this handbook. The purposes for which CDEA formed were for the mutual advancement of the interests of members to consider and deal with common problems, and to strengthen local SWCDs by aiding and providing information to local boards and employees. To that end, CDEA has focused resources on creating and fostering opportunities for employee networking, professional development, and SWCD outreach and promotion.

In March, CDEA and the New York State Soil and Water Conservation Committee (SWCC) and the Natural Resources Conservation Service (NRCS) jointly sponsor the Water Quality Symposium. The four-day session offers trainings in the following tracks: agriculture, non-agriculture, clerk / administration, forestry, and education. Trainings may be offered for CCA, SAF or CEU credits. The annual meeting and banquet are held in conjunction with the Water Quality Symposium.

At the Annual Meeting, CDEA members from across the state have the opportunity for an open discussion on employee issues and concerns. Attendees make nominations for the Executive Board, and an election is held. This is also the forum where policies and resolutions are reviewed and adopted.

The banquet includes our Annual Awards and Recognition Program. Awards include the Willard F. Croney Distinguished Service Award, Special Project Award, Division Merit Awards, District Director Award, Heroic Action Award, Partner Appreciation Award, Presidents' Award, and Community Service Award.

In addition to the Water Quality Symposium, CDEA sponsors several other training events throughout the year. The Administrative Conference provides specific and pertinent information and training for SWCD administrative staff. It also serves as a forum to initiate discussion on mutual problems and concerns among SWCDs. The Conservation Skills Workshop is a field-based technical training program held every fall in conjunction with SWCC and NRCS. It offers a variety of basic and advanced training for SWCD employees and partners.

The Frank Bratt Memorial Scholarship was created in 1990, in memory of longtime Chautauqua County District Director and friend of SWCDs Frank Bratt. The scholarship program supports District employees who are interested in furthering their education on topics related to conservation and SWCD function.

The Bucket Raffle and Silent Auction held during the Water Quality Symposium provide funds for the Frank Bratt Memorial Scholarship.

CDEA is involved in several SWCD promotion and outreach activities. With assistance from Directors and other partners, CDEA creates, organizes, and staffs an exhibit at the annual New York State Fair. The fair presents an excellent opportunity to educate the public about SWCD programs and services. Since 1988, CDEA has published and distributed CDEA News that is disseminated statewide to SWCDs and conservation partners.

In 1990, CDEA began the New York State Envirothon program, with the mission to test students' knowledge and understanding of natural resource issues within the state and cultivate their desire to learn more about natural resources and environmental issues. CDEA created a sub-committee to coordinate this annual event. The NYS Envirothon Committee is an energetic group of CDEA members and cooperating agency representatives. Districts sponsor local Envirothon competitions, and send their winning team to the state event. Competitions are held at the local, regional, state, and international levels. New high schools continue to be attracted to the program.

CDEA created a costumed figure called Ronny Raindrop® in 1990. The large raindrop costume is used to teach the importance of water quality. Ronny® has made appearances at the New York State Fair, county fairs, festivals, parades, shopping centers, schools, day care centers, etc. A costume is housed in each Division and CDEA holds registered copyrights on both the name and image (costume). Coloring sheets and books, T-shirts and other educational and promotional items have been developed over the years highlighting Ronny®.

CDEA is a signatory to the 4-Way Memorandum of Understanding with NRCS, New York Association of Conservation Districts (NYACD), and the SWCC. In 1996, CDEA became an advisory member of the SWCC by legislative amendment to New York State Conservation District Law. CDEA's inclusion in the 4-Way Memorandum and advisory position on the SWCC show recognition of and confidence in CDEA by the other agencies and groups involved.

One of the greatest accomplishments of CDEA to date has been SWCD indemnification. In 1996, CDEA, through partnerships and collaborations with SWCC, NYACD, and other agencies and organizations, was able to amend Public Officers Law to provide for the defense of SWCD employees, officers, and directors when working on projects receiving funding from the state and approved by the SWCC.

By-Laws

ARTICLE I: Name

Sec. 1: The name of this Association shall be the New York State Conservation District Employees' Association, Inc.

ARTICLE II: Objectives

Sec. 1: To strengthen the local Soil and Water Conservation Districts of New York State.

Sec. 2: To provide assistance and information to Boards of Directors and District employees seeking to resolve problems related to natural resource conservation.

Sec. 3: To assist any agency, organization, municipality, group, or individual supporting the Soil and Water Conservation Districts of New York State, in the spirit of cooperation, sound conservation practices, and proper land use.

ARTICLE III: Nature

Sec. 1: This Association shall be a not-for-profit organization. Its function will be to develop, strengthen and support the conservation programs in New York State.

Sec. 2: Coercion by any person in an attempt to use this Association for any other purpose, such as collective bargaining, is prohibited.

ARTICLE IV: Membership

Sec. 1: The membership of this Association shall consist of full-time and part-time employees of the legally organized Soil and Water Conservation Districts within the State of New York.

Sec. 2: Each member shall be entitled to one [1] vote and voting by proxy shall not be permitted. All members shall be encouraged to attend Association meetings and participate in discussions.

ARTICLE V: Executive Board

Sec. 1: The Executive Board consists of the Board of Representatives and the Executive Committee. The Executive Board shall constitute CDEA's governing entity. Each Board Member shall have one vote.

Sec. 2: It shall be the responsibility of the Executive Board to authorize officers and employees to perform such duties as are necessary for the operation of CDEA.

ARTICLE VI: Board of Representatives

Sec. 1: The Board of Representatives shall consist of eight [8] Division Representatives and a Member-at-Large.

Sec. 2: The term of office for the elected representatives shall be for two years.

Sec. 3: Vacancies shall be filled by appointment of the President. The appointed representatives must be selected from within the Division they represent and will serve until the next annual meeting.

Sec. 4: The Member-at-Large shall serve as the chair of the Board of Representatives.

Sec. 5: One Division Representative shall be elected from each of the eight Divisions, consisting of the following Soil and Water Conservation Districts:

Division I: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming

Division II: Cayuga, Livingston, Monroe, Onondaga, Ontario, Seneca, Wayne, and Yates

Division III: Herkimer, Jefferson, Lewis, Madison, Oneida, Oswego, and St. Lawrence

Division IV: Broome, Chemung, Chenango, Cortland, Delaware, Otsego, Schuyler, Steuben, Tioga, and Tompkins

Division V: Clinton, Essex, Franklin, Hamilton, and Warren

Division VI: Albany, Fulton, Montgomery, Rensselaer, Saratoga, Schenectady, Schoharie, and Washington

Division VII: Columbia, Dutchess, Greene, Orange, Sullivan, and Ulster

Division VIII: Nassau, New York City, Putnam, Rockland, Suffolk, Westchester

Sec. 6: The election of the Board of Representatives shall take place at the annual meeting of CDEA. Division Representatives from Division I, III, V, VII, and the Member-at-Large shall be elected on odd numbered years. Division Representatives from Divisions II, IV, VI and VIII shall be elected on even numbered years. The terms of office for the Board of Representatives shall be limited to not more than three consecutive two-year terms unless re-appointed due to no other interested candidates.

Sec. 7: The Division Representatives shall be nominated and elected at the annual meeting by their respective Division members present at the meeting. In the event there are less than three Division members present, the President shall appoint a Division Representative. The duties of the newly elected Division Representatives shall commence fifteen days after being elected.

Sec. 8: It is the responsibility of the Division Representatives to hold at least one annual meeting and to call special meetings within their Division when it is deemed to be in the best interests of the SWCDs' programs and to otherwise assist the employees in their Division.

Sec. 9: The quorum of the Executive Board will be a simple majority of its full membership.

ARTICLE VII: Executive Committee (The Officers)

Sec. 1: A President, Vice President, Secretary, and Treasurer shall be elected by CDEA's membership at each Annual Meeting. The duties of the newly elected officers shall commence fifteen days after being elected. Elections shall be by secret ballot.

Sec. 2: The President, Vice President, Secretary, Treasurer and Member-at-Large of the Board of Representatives shall constitute CDEA's Executive Committee which shall have the power to act in the name of CDEA between regular or special board meetings.

Sec. 3: Vacancies created during the officers' terms of office shall be filled by a majority vote of the Board of Representatives and shall serve until the next annual meeting.

Sec. 4: The immediate past President shall act as an ex-officio member of the Executive Committee for one year following their presidency.

Sec. 5: The immediate past President shall chair the Nominating Committee.

Sec. 5: The office of President and Vice President shall be limited to no more than four consecutive terms per officer.

ARTICLE VIII: Duties of Officers

Sec. 1: The duties of the officers of CDEA shall be those normally pertaining to the officials in any association and any additional duties specifically assigned to them by the Board of Representatives.

Sec. 2: The President shall be empowered to form a committee within the membership to expedite the objectives of CDEA.

Sec. 3: The duties of the President shall include special attention to the on-going business of CDEA. A committee structure will always be considered for carrying out the work of CDEA before other methods are adopted.

Sec. 4: The duties of the Secretary shall be to record the minutes of all meetings and to provide copies of the minutes to each Division Representative for distribution. The Secretary will also forward the minutes to the SWCC staff representative for email distribution to Districts. The Secretary shall maintain an official standard hard cover minutes book or electronic file for CDEA.

Sec. 5: The Treasurer shall keep full and accurate records of all financial transactions and make an annual financial report to the membership at the annual meeting. All CDEA funds will be maintained in a banking institution in CDEA's name in New York State.

Sec. 6: The officers may by majority vote and with the concurrence of the majority of the Board of Representatives establish or abolish positions of employment and fix the compensation and time of payment thereof.

ARTICLE IX: Finances

Sec. 1: CDEA may be financed by an annual assessment on each member as recommended and approved by the majority vote of the members present at any annual meeting. The assessment would be payable annually by each member to CDEA's Treasurer.

Sec. 2: Only the Treasurer will accept contributions, donations, earned income gifts, and other legal revenues to carry on the work of CDEA.

Sec. 3: The President shall provide an annual audit conducted by at least three individuals who are members of CDEA. One shall be a Division Representative; one shall be the Member At-Large, and one shall be the Treasurer.

Sec. 4: All disbursements will be properly itemized and verified or certified by the Treasurer and Member-at-Large before payment.

Sec. 5: Payment will be issued by press numbered check, EFT (Electronic Funds Transfer) or CDEA credit card only. A press numbered receipt will be issued for all income revenue.

Sec. 6: No power to borrow money or otherwise incur indebtedness to CDEA is granted to any officer, representative, or member.

Sec. 7: A budget for the year following the annual meeting of CDEA shall be presented for approval by the membership at each annual meeting. The budget shall be distributed in advance of the meeting to all SWCDs. The budget must be approved by a two-thirds majority of those members attending the annual meeting.

Sec. 8: The budget may be adjusted up to twenty percent if needed during the year by the Executive Committee and the Board of Representatives.

Sec. 9: Before the dissolution of CDEA, the board will consult with a lawyer or attorney regarding the disbursement of any unencumbered funds, and funds will be disbursed at the discretion of the board.

ARTICLE X: Compensation

Sec. 1: The representatives, officials and committee members on official assignment by CDEA shall serve without compensation.

Sec. 2: The Treasurer and Member-at-Large of the Board of Representatives shall approve or disapprove, in writing, the payment of specific expenses incurred by members in the lawful transactions of CDEA business.

ARTICLE XI: Meetings

Sec. 1: The annual meeting shall be held at a time and place prescribed by CDEA's Executive Board.

Sec. 2: A NYACD meeting may also be held during the session of the CDEA annual meeting.

Sec. 3: Special meetings may be called by the President or when requested by the Board of Representatives.

Sec. 4: Notices of all meetings must be distributed to the membership at least seven days in advance of the meeting date. Parliamentary procedure will be based on "Roberts Rules of Order."

ARTICLE XII: Amendments

Sec. 1: By-laws may be adopted and these articles of CDEA may be amended by a two-thirds majority vote of all members present at an annual meeting or special meeting of CDEA provided that copies of the proposed by-laws OR amendments are emailed or mailed to the membership thirty days preceding the opening of the annual or special meeting.

ARTICLE XIII: Resolutions

Sec. 1: Resolutions and policy not relating to amendments to the by-laws may be adopted by a majority vote of all members present at an annual or special meeting of CDEA provided that copies of the proposed resolutions are provided via email or mail to the membership thirty days preceding the opening of the regular or special meeting OR amendments be provided digitally to the Executive Board prior to the "Call of Order" and be digitally presented to the entire membership in attendance at the annual meeting or special meeting. Resolutions may be brought forward from the floor the day of the annual meeting with the requirement of 100 hard copies.

ARTICLE XIV: Executive Board Record of Adoptions and Amendments

These articles were legally adopted by official vote on September 15, 1975 at Syracuse, New York. They were amended at the Annual Meeting on March 1, 1984; at the Annual Meeting on March 20, 1986; at the Annual Meeting on March 20, 1987; at the Annual Meeting on March 11, 1993; at the Annual Meeting on March 15, 1995; at the Annual Meeting on March 13, 2002; at the Annual Meeting on March 8, 2006; at the Annual Meeting on March 16, 2011; at the Annual Meeting on March 14, 2012; at the Annual Meeting on March 12, 2014; at the Annual Meeting on March 11, 2020; and at the Annual Meeting on March 13, 2024

Officer Guidelines and Responsibilities

President

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving CDEA as President. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office. The President is elected at CDEA's annual meeting and holds the term for one year. The term can be held for a maximum of four years. The President shall serve for one year after the end of their elected term as an ex-officio member of the Executive Board in order to provide a smooth transition of CDEA business.

Meetings

The President is responsible for organizing and chairing at least five [5] bi-monthly Executive Board meetings a year and will hold an annual meeting during the Water Quality Symposium training session. They shall coordinate the meeting with the host Division Representative to venue, meals, and after meeting activities. Meetings will rotate around the state, preferably by Division, and may require an overnight stay. The president may need to hold special meetings to approve items such as Frank Bratt Memorial Scholarship applications in a timely manner or discuss current issues.

Representation at Agency and 4-Way Partner Meetings

The President serves as CDEA's representative at meetings held by cooperating agencies and members of the 4-Way Partnership. Responsibilities include providing oral and/or written reports and discussing partnership opportunities and challenges. Public speaking is a large part of the President's responsibility in representing CDEA, and many of the meetings require active participation in discussions. The President serves as a liaison between CDEA and 4-Way Partners, and communicates challenges and successes SWCDs bring forward. Partner agency meetings include:

1. New York State Soil and Water Conservation Committee
 - Monthly meetings
 - Technical Advisory Committee
 - Municipal Assistance Subcommittee
 - Special Programs Advisory Committee
 - Staff meetings
2. New York Association of Conservation Districts
 - Monthly meetings
 - Annual Meeting and Training Session
3. Natural Resources Conservation Service
 - Committee meetings
 - Special meetings
4. National Association of Conservation Districts
 - Annual meeting
 - Northeast region meeting

Coordinate the Flow of CDEA Business

CDEA operates on a committee system. The President is responsible for communicating with these committees, monitoring their activity and progress, and requesting for reports to share during CDEA meetings.

In the event of a Division Representative resigning, the President is responsible for appointing a person to serve as a replacement until the next annual meeting. The President should also keep in constant communication with the other members of the Executive Board.

The President will annually appoint an audit committee as defined in Article VIII – Finances.

Account for CDEA Computer and Office Equipment and Electronics

To effectively conduct business, the CDEA has and continues to purchase electronics and office equipment to aid in business administration. The President will account, track, and direct the use and housing of CDEA purchased electronics and office equipment to ensure the appropriate use and retention. A list should be made and updated detailing equipment, purchase date, condition, and location.

Assist SWCDs with Professional Development

The President should be prepared to assist SWCD employees with professional development. Some examples include:

1. Ensuring that funding is available for training events.
2. Attending or encouraging attendance of Division meetings by Executive Board members.
3. Assisting in the communication the Executive Board and SWCDs, and allowing for an exchange of concerns and ideas.
4. Ensuring that the type and quality of training provided meets the needs of the majority of SWCD employees. Surveys and conversations are essential.

Encourage Active Involvement and Participation in CDEA Functions and Programs

The President is responsible for ensuring that CDEA both meets the needs and provides the opportunity for personal and professional growth of SWCD employees. Employees should also be encouraged to play a role and take responsibility in the growth and development of CDEA.

Water Quality Symposium

Assist the Vice President with coordinating the event. This includes:

1. Assembling and making hard copies of the Annual Meeting Packet.
2. Inviting a key-note speaker to the Annual Meeting.
3. Inviting members of the 4-Way Partnership to attend the Annual Meeting.
4. Running the Annual Meeting.
5. Informing the Vice President how to run the event.

Provide a Smooth and Informed Transition to the Successor

A smooth and orderly transition of leadership is imperative to the survival and growth of any organization. Future leadership must be developed, and it is the responsibility of each officer, especially the President, to ensure that this happens. This is accomplished by getting people involved, keeping them informed, and capturing their interest. Each person who takes a position on the Executive Board or expresses an interest in CDEA should be encouraged as much as possible. CDEA must be in the position to offer personal growth satisfaction that enables board members to receive something in return for the time and effort they contribute in carrying out their duties. When a current President decides to step down, they should inform the Vice President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Member-at-Large.

Vice President

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving the CDEA as Vice President. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office.

Coordinate the Water Quality Symposium

The primary responsibility of the Vice President is to coordinate the annual Water Quality Symposium.

Organizing the event takes a great deal of time and preparation to work successfully. This includes:

1. Developing a Request for Proposals for hotel venues and signing the contract with a hotel approved by the Executive Board.
2. Hosting planning meetings with Course Track Chairs (Agriculture, Non-Agriculture, Clerk / Administration, Forestry, and Education) to finalize course topics and presenters.
3. Updating and disseminating the registration packet to all members of the 4-Way Partnership and college students.
4. Coordinating entertainment.
5. Coordinating food and drink for the hospitality suite.
6. Ensuring that people who don't mind noise are in rooms around the hospitality suite.
7. Coordinating registration table shifts.
8. Tracking registration to ensure that courses and hotel rooms do not max out.
9. Working with the hotel to select rooms for all courses based on capacity.
10. Addressing dietary restrictions for all attendees.
11. Working with Division VII and VIII to ensure that families of award recipients are invited to the awards banquet, including meals and rooms.
12. Coordinating the Opening Session and delivering a welcome address
13. Coordinating Division Meetings
14. Working closely with the Treasurer when coordinating the event.

Attend All Executive Board Meetings

There are at least five bimonthly Executive Board meetings per year in addition to the annual meeting at the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that the Vice President attend these meetings as they are extensively utilized to develop and implement the programs, policies and functions of CDEA. Special meetings may be called occasionally.

Attend Agency and 4-Way Partner Meetings When Called:

The Vice President may be called on by the President to attend meetings throughout the year.

Coordinate the Flow of Association Business

The Vice President will be prepared to represent CDEA at cooperating agency meetings as requested by the President in his/her absence. They will facilitate CDEA's committee structure by holding committee responsibilities as delegated by the President.

Assist Fellow Employees and Districts with Professional Development:

The Vice President should be prepared to assist SWCD employees with their professional development, and help with CDEA committee activities.

Provide Smooth Transition to Successor:

The Vice President should take time to advise, assist, and guide their successor with their new responsibilities to

ensure a smooth and informed transition. When a current Vice President decides to step down, they should inform the President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Member-at-Large.

Treasurer

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving the CDEA as Treasurer. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office.

Attend All Board Meetings

There are at least five bimonthly six Executive Board meetings per year in addition to the annual meeting at the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that the Treasurer attend these meetings to provide financial reports. Special meetings may be called occasionally.

Attend Meetings As Called

In addition to individual responsibilities, the Treasurer may be called upon to attend special meetings as requested by the President throughout the year.

Coordinate the Flow of Association Business

The Treasurer is responsible for ensure that CDEA members are kept informed of CDEA's financial standing. The Treasurer also holds the following responsibilities:

1. Keep full and accurate records of all financial transactions, and create and disseminate an annual financial report for the Annual Meeting. Accounts are to be kept following the Uniform System of Accounts.
2. Maintain all funds in a banking institution in CDEA's name in New York State.
3. Itemize and verify or certify all disbursements before payment. Disbursements must also be verified or certified by the Member-at-Large.
4. Payments to be issued by press numbered checks, EFT (Electronic Funds Transfer) or CDEA credit card only.
5. Issue a press numbered receipt for all income revenues. Present the annual budget during the annual meeting. The budget must be include in the annual meeting packet. The budget must be approved by a two-thirds [2/3] majority of those members present at the annual meeting. The budget may be adjusted by twenty-percent (20%) if needed during the year by the Executive Board.
6. Approve or disapprove, in writing, the payment of specific expenses incurred by members in the lawful transaction of Association business. The Member-at-Large must also approve or disapprove these expenses.
7. Accept contributions, donations or earned income, gifts, and other legal revenues to carry on the work of CDEA. These can only be accepted by the Treasurer.
8. An annual audit will be conducted according to Article IX – Finances.

Assist Fellow Employees and Districts with Professional Development:

The Treasurer should be prepared to assist SWCD employees with their professional development. Upon request, the Treasurer prepares reports for independent accounts such as state fair, training session, etc., to assist committees and individuals with planning.

Provide Smooth and Informed Transition to Successor:

The Treasurer should take time to advise, assist, and guide their successor with their new responsibilities to insure a smooth and informed transition. Within thirty days, all accounts shall be closed, and funds and financial records forwarded to the new Treasurer. When a current Treasurer decides to step down, they should inform the President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Member-at-Large.

Secretary

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving the CDEA as Secretary. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office.

Attend All Board Meetings

There are at least five bimonthly six Executive Board meetings per year in addition to the annual meeting at the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that the Secretary attend these meetings as they record minutes.

Attend Meetings as Called

In addition to individual responsibilities, the Secretary may be called upon to attend meetings as requested by the President throughout the year.

Responsibilities

The Secretary of CDEA is charged with the proper care of CDEA minutes and records. These documents must be kept in an orderly fashion, which allows for easy reference by CDEA. Also, the timely distribution of Executive Board, Partner and committee minutes is essential to the flow of CDEA business. Some examples of the Secretary's responsibilities include:

1. Record minutes of all meetings and provide draft minutes to the Executive Board within twenty days following a meeting. If no comments are received within an additional ten days, Division Representatives will distribute the draft minutes to all Divisions, and/or the Secretary will forward the minutes to the SWCC representative for email distribution to all Districts.
2. All minutes will be kept in an official hard cover minutes book or digital copy and brought to all meetings for reference.
3. Assist SWCD employees with their professional development.

Provide Smooth and Informed Transition to Successor

The Secretary should take time to advise, assist, and guide their successor with their new responsibilities to insure a smooth and informed transition. When a current Secretary decides to step down, they should inform the President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Member-at-Large.

Member-At-Large

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving the CDEA as Member-at-Large. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office.

Attend All Board Meetings

There are at least five bimonthly six Executive Board meetings per year in addition to the annual meeting at

the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that the Member-at-Large attend these meetings as they are extensively utilized to develop and implement the programs, policies and functions of CDEA.

Attend and Chair Board of Representative Meetings as Requested

The Division Representatives may call or be called upon to exert their responsibilities collectively as a Board of Representatives. CDEA's by-laws assign specific responsibilities to the Board of Representatives, which were designed to maintain CDEA's "grass roots" orientation as well as a system of checks and balances. Specific responsibilities assigned to the Board of Representatives include:

1. Appoint by majority vote, vacancies created during an officer's term until the next annual meeting.
2. Determine by majority vote, the time and place of CDEA's annual meeting.

Attend All Board Meetings

There are at least five bimonthly six Executive Board meetings per year in addition to the annual meeting at the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that the Secretary attend these meetings as they record minutes.

Attend Meetings as Called

In addition to individual responsibilities, the Secretary may be called upon to attend meetings as requested by the President throughout the year.

Coordinate the Flow of Association Business

The Member-at-Large is responsible for ensuring that Division Representatives are kept informed of CDEA's regular and special business. Conversely, the Member-at-Large will ensure that the Executive Committee is kept informed of Division concerns, ideas and business. Some examples include:

1. Forward pertinent correspondence to either the Division Representatives or Executive Committee.
2. Prepare and present a Member-at-Large report at the annual meeting.
3. Ensure that an up-to-date copy of CDEA's by-laws is made available to the general membership.
4. Assist individual Divisions with the Division Representative election process.
5. Attend individual Division meetings as requested by the Division Representatives.
6. In the event of a vacant Division Representative position, forward all pertinent Association business directly to the respective counties until such time as an appointment is made by the President.
7. Review all Association expenses with the Treasurer to ensure that they are properly itemized, verified and certified prior to payment. The Member-at-Large and Treasurer shall approve or disapprove, in writing, the payment of such expenses as prescribed by CDEA's by-laws.
8. The Member-at-Large will facilitate CDEA's committee structure by accepting committee responsibilities as delegated by the President, which are relative to the Member-at-Large position.
9. Send acceptance and denial letters to 4-Hour Fund applicants.

Provide Smooth and Informed Transition to Successor

The Member-at-Large should take to advise, assist, and guide his/her successor with his/her new responsibilities to insure a smooth and informed transition. When a current Member-at-Large decides to step down, they should inform the President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Division Representatives.

Division Representative

It is anticipated that the following guidelines will serve as a valuable reference for persons interested in serving the CDEA as a Division Representative. The guidelines were formulated by the officers of CDEA and reviewed and approved by the Executive Committee and should help members when considering seeking office.

Attend All Board Meetings

There are at least five bimonthly six Executive Board meetings per year in addition to the annual meeting at the Water Quality Symposium Training Session. These meetings generally rotate around the state may require an overnight stay. It is extremely important that Division Representatives attend these meetings as they are extensively utilized to communicate SWCD concerns and suggestions to CDEA, develop and implement the programs, policies and functions of CDEA.

Conduct and Chair Division Meetings:

Division Representatives are responsible for organizing and hosting Division meetings. Division meetings maintain the flow of information, business, and ideas that are essential to a progressive CDEA. They also afford regional trainings that cultivate SWCD professional development. It is suggested that Division Representatives host at least one Division meeting per year or as necessary, in addition to the Division Meeting held at the Water Quality Symposium.

Attend Board of Representative Meetings as Called:

Division Representatives may call or be called upon to exert their responsibilities collectively as a Board of Representatives. The Board of Representatives consists of eight [8] Division Representatives and the Member-at-Large who serves as chairperson. CDEA's by-laws assign specific responsibilities to the Board, which were designed to maintain CDEA's "grass roots" orientation as well as a system of checks and balances. Specific responsibilities assigned to the Board of Representatives, as a whole by CDEA's by-laws:

1. Appoint by majority vote vacancies created during an officer's term of office until the next annual meeting (President, Vice President, Secretary, Treasurer).
2. Determine by majority vote the time and place of CDEA's annual meeting held during the Water Quality Symposium.

Coordinate the Flow of Association Business

A Division Representative is responsible for ensuring that the Division's Association members are kept informed of CDEA's regular and special business. A Division Representative is also responsible for forwarding the Division's ideas, concerns, and business to the attention of CDEA. Some examples are as follows:

1. Insure that the draft Executive Board meeting minutes are received by each District within the thirty [30] day time limit set forth in the by-laws.
2. Ensure that all pertinent correspondence and reports are forwarded to and reviewed by the Division.
3. Prepare and present a report of the Division's activities at the annual meeting held during the Water Quality Symposium.
4. Forward a copy of CDEA's correspondence such as meeting notices, Division meeting minutes, reports, and other general correspondence to the President.
5. Inform your Division of Association positions which are up for election and encourage pre-election discussion and nominations.

Assist Fellow Employees with Professional Development:

Division Representatives should be prepared to assist fellow employees and Districts with their professional development. Some examples include:

1. Arrange a conservation tour of a county where new and innovative conservation practices have been installed.
2. Provide or arrange assistance in securing training for new and existing employees.
3. Provide or arrange assistance to Districts with the development of new earned income programs.

Encourage Active Involvement and Participation

Successful involvement and participation from your Division largely depends on your overall performance and creativity as a Division Representative. There may be a few Districts or employees who have been traditionally inactive. Determining the reasons for inactivity is the first step in attempting to find a solution. Only then can our Association explore new ways to provide motivation and incentives for active involvement.

Familiarize Employees with By-Laws

The by-laws clearly state the nature and objectives of our organization. By familiarizing yourself and fellow employees with the by-laws, we insure that policies and programs are developed within the intent and framework, which is set forth.

Provide Smooth and Informed Transition to Successor

The Division Representatives should take time to advise, assist and guide their successors with their new responsibilities to insure a smooth and informed transition. When a current Division Representative decides to step down, they should inform the President before the annual meeting to help foster a meaningful election process. Notification should be sent in writing to the President and Member-at-Large.

Standing Committees and Functions

CDEA uses a committee structure to undertake a majority of its business. In addition to specific Association program committees, CDEA representation is maintained on various standing and special committees of our conservation partners (SWCC, NYACD, and NRCS) and other cooperating agencies. The following is a brief description of CDEA's standing committees, their function, and the current representation. This section will be updated annually, after the Executive Board's organizational meeting in May.

Division Representative Responsibilities

The Division Representatives are expected to undertake the responsibility of various Association activities. The Divisions are expected to work cooperatively and pool their resources to undertake these tasks. The Division Representative is charged with the responsibility of coordinating these duties and insuring their completion. Some examples of these duties are listed below:

Division I: Frank Bratt Memorial Scholarship.

Division II: Assists with New York State Fair, CDEA Historical Archives.

Division III: Coordinates the Bucket Raffle and Silent Auction with Division VI.

Division IV: Coordinates the Bucket Raffle and Silent Auction with Division III.

Division V: New Employees / Years of Service - track new employees, years of service, and promotions for recognition at the annual meeting. Coordinates marketing for Ronny Raindrop®.

Division VI - Fertilizer tablet sales - distribute order forms, take orders, and arrange for shipping and distribution via centralized Districts, which serve as distribution points for multi-Districts. Organize the Hospitality Suite at the Water Quality Symposium.

Division VII: Water Quality Symposium Awards Banquet and Sunshine Fund.

Division VIII: Water Quality Symposium Awards Banquet.

All Division Representatives are encouraged to work a shift at CDEA's booth at the New York State Fair, Water Quality Symposium, and Empire Farm Days.

CDEA Standing Committees

The following are standing committees of CDEA. The representatives of each committee will be approved by CDEA at the May organizational meeting.

New York State Fair / Empire Farm Days

This committee will plan and organize CDEA's exhibit at the NYS Fair. Responsibilities include developing a theme/design, preparing a budget, and organizing employee assistance with the construction and supervision of the exhibit.

Water Quality Symposium

Each year in March, CDEA jointly sponsors the annual training session with the SWCC and NRCS. The 4 day session offers training that covers topic related to conservation education, administration, water quality management, natural resource planning, forestry, agriculture, non-agriculture, and technical assistance.

Conservation Skills Workshop

The Conservation Skills Workshop is a collaboration between the NYS Conservation District Employee's Association, NYS Soil & Water Conservation Committee, and the Natural Resources Conservation Service. The goals of this workshop are to offer field-based training sessions to conservation professionals operating in New York State.

Administrative Conference

This conference provides specific and pertinent information and training for SWCD administrative staff. It also serves as a forum to initiate discussion on mutual problems and concerns among Districts.

Leadership Institute

Held every 4 years, the Leadership Institute is held to cultivate personal development and improve leadership skills. The New York State Conservation District Employees Association, Inc., the New York State Soil and Water Conservation Committee, the New York Association of Conservation Districts, Inc., and the USDA Natural Resources Conservation Services calls for nominations for those who want to be considered for the Leadership Institute, and an application is required. The last institute was held July 18 – 21, 2023. The next event will be held in 2027.

Legislative

This committee will work actively to develop and implement a legislative agenda to benefit the SWCDs statewide. The committee will work closely with the Executive Director of NYACD and other groups as necessary and appropriate. The committee may receive additional direction from the President or the Executive Board.

Envirothon

This committee consists of SWCD employees and members from a multitude of cooperating agencies. The committee operates as a sub-committee of CDEA and has a detailed and specific set of guidelines via which it administers the NYS Envirothon. These guidelines are included in the CDEA policy book.

Nominating

This committee nominates and carries out elections of the regular officers of CDEA. The immediate past President of the CDEA will serve as chairperson. The Committee will:

- Nominate individuals for CDEA offices in accordance with the constitution.
- Prepare resumes on each candidate to be circulated prior to the annual meeting.
- Conduct an election at the annual meeting. During the opening session, the Nominating Officer shall list all candidates for election. Nominations shall remain open until the annual meeting when elections take place.
-
- Announce officers in CDEA News and on the website.

New York State Erosion and Sediment Control Certificate Program

The purpose of this certificate program is to establish and maintain a process to identify and recognize individuals who are capable of developing, designing, inspecting and maintaining erosion and sediment control plans on projects that disturb soils in New York State. The development and oversight of these plans will be executed in accordance with the New York State Standards and Specifications for Erosion and Sediment Control and the New York State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity. See NYSESCCP Policy and Procedures for more information.

New York State Department of Environmental Conservation Endorsed 4-Hour Erosion and Sediment Control Online Training

This training is for SWCD staff who help farmers, foresters, municipalities, and landowners with erosion and sediment control issues. Registration is at no cost to SWCD employees. Learn how to and understand why it is important to implement erosion and sediment control practices correctly. Currently, Monroe County SWCD holds the contract to perform services relating to this program.

New York State Erosion and Sediment Control Certificate Program Steering Committee

The Steering Committee is comprised of Jessica Verrigni, Tim Clark, Matt Giannetta, Dave Gasper, and PJ Emerick, and includes 2 CDEA representatives to be appointed annually.

Civil Service Committee

This committee works with the New York State Department of Civil Service to discuss and find solutions for challenges SWCDs experience with Civil Service.

Management Development Certification Program Committee

For certification in the Management Development Certification Program, District staff take a minimum of 6 course hours in each competency area, including Communication and Interpersonal Skills, Leading and Motivating Others, Planning and Administering Systems and Processes, Organizational Knowledge and Strategy, Self-Management Skills, and Strategic Innovation Skills. The CDEA Member-At-Large manages the program and files with the support of the Administrative Management Committee.

Recruitment and Retention Committee

This committee works with NYACD and NRCS to promote recruitment and retention. Activities include attending job fairs.

Publications and Promotions Committee

Oversees NYS CDEA News and promotional activities.

Sunshine Fund Committee

Oversees sending celebratory or condolence flowers and cards.

CDEA Golf Tournament

This annual event is open to all members of the 4-Way Partnership. This is the perfect tournament for the avid golfer or the golfer that plays once a year. Prizes and a 50/50 raffle are offered. Registration fees support CDEA programs.

CDEA 5-Stand Tournament

Open to all members of the 4-Way Partnership, registration fees support CDEA programs.

CDEA Fish On! Challenge

Participants register for a fee and receive a pocket tape measure with the NYSCDEA logo on it. Registration is available for NYSCDEA members only. Category winners are announced at the Water Quality Symposium Awards Banquet.

Environmental Education Foundation

The mission of the EEF as a 501c3 not-for-profit organization is to provide financial assistance to educational programs that encourage conservation of the environment while raising environmental awareness in the minds of young people - the future stewards of our environment. One such effort is the NYS Envirothon. Membership can include SWCD and NRCS staff.

Policies and Procedures

Committees

CDEA uses a committee structure to conduct its business, and members often participate on committees of cooperating agencies. The following policy applies to all committees operating under the CDEA and to members representing CDEA on other committees.

1. The Executive Board will annually update and approve the Committees and Appointments document at the May CDEA meeting.
2. The chairperson of each standing committee shall select their committee members. The President may add members to any committee. Members of CDEA committees may include SWCD employees and non-SWCD employees representing cooperating agencies and/or other groups. Committee chairpersons should attempt to seek members who present a broad representation of employees state-wide, and may seek recommendations from Division Representatives or other members.

3. Special committees may be formed as needed. The President will appoint these special committees and chairpersons as needed.
4. Each chairperson(s) shall submit the names of all committee members to the Executive Board for review and approval for the May meeting.
5. Each chairperson(s) shall notify the President whenever a committee is scheduled to meet and will provide the Executive Board with regular updates of the committee's activities.
6. The President, Vice President or designated representative will represent CDEA during NYACD, SWCC, NRCS and other agency committees. CDEASWCC
7. When a committee has a pre-approved budget for their activities, expenditures may be made without individual pre-approval if within budget. A financial reporting will be made at the conclusion of the committee's activity or at any time requested to do so by the President, Member-at-Large or the Executive Board. All bills, reimbursements, or refunds associated with a committee's activities will be processed as per CDEA financial policies.

Meetings

The majority of CDEA's business is conducted at Executive Board meetings, and committee meetings. CDEA also provides representation at committee meetings of the SWCC, NRCS, NYACD and other groups. The following policy covers meetings directly associated with CDEA and a member's responsibilities when representing CDEA at other meetings

CDEA Executive Board Meetings

1. The Executive Board will meet bimonthly, and will hold an annual meeting during the Water Quality Symposium training session. Total annual meetings is six.
2. Generally, Executive Board meetings will include an afternoon session, overnight stay, and a morning session the following day. Meetings will be scheduled by the President and will rotate around the state. The hosting Division Representative Vice President will arrange for meeting space and accommodations in coordination with the President. The host District may assist as necessary.
3. In order to promote interest in CDEA's activities, the Division Representative will invite local District staff to attend meetings held in their county.

CDEA Executive Board Meeting Minutes

1. Draft minutes of Executive Board meetings will be sent to the Executive Board members and partners within twenty days of the meeting. Attending members will review the draft minutes and contact the Secretary with edits. If the Secretary does not receive any comments within an additional ten days, Division Representatives will distribute the draft minutes to all Divisions and/or the Secretary will forward the minutes to the SWCC representative for email distribution to all Districts. Minutes will be formally approved by the Executive Board at the next meeting.
2. Draft minutes of the annual meeting will be sent to all Districts within thirty days of the annual meeting. Formal approval of the minutes will be done at the following year's annual meeting.
3. Committee chairs will provide a written report or update to the CDEA President and Secretary one

week before the CDEA meeting. The Secretary will append reports to the minutes.

4. The Secretary will keep a complete record of all minutes and/or reports from the Executive Board meetings, standing committees and special committees.
5. Members representing CDEA on committees of cooperating agencies and at special meetings will provide the President with a brief written report as requested by the President.

State, Regional, and National Meetings

1. The President or their designee will represent CDEA at the NYACD, SWCC, and NRCS meetings.
2. The President or their designee will represent CDEA at the NYACD annual meeting.
3. The President will appoint a CDEA member and alternate to represent CDEA on the National Conservation District Employees Association Northeast Region (NCDEA) and National Association of Conservation Districts (NACD). This appointee will provide reports at CDEA meetings that detail how their work benefits New York State SWCDs.
4. The President and their designee will attend the northeast and national NACD meeting as deemed necessary and approved by the Executive Board.
5. The Executive Board may approve the attendance of additional members at state and national meetings.

Member Conduct

Members sitting on CDEA committees or acting as a CDEA representative at cooperating agency meetings or other special events will conduct themselves in a professional manner and recognize their responsibility to represent the concerns and interests of SWCD employees statewide. CDEA representatives presenting personal opinions at these meetings are expected to clearly preface their comments as being of a personal nature. CDEA in no way seeks to discourage members from expressing relative, constructive comments presented in a professional manner.

Finances

CDEA annually raises funds, and operates under a budget that provides financial support and accountability to meet goals and objectives. CDEA has developed the following policies to address financial matters such as refunds, reimbursements, and the acceptance of funds in CDEA's name.

1. Receiving and Disbursement of Funds

- a) The Treasurer will serve as the chief financial officer of CDEA, and will conduct business as set forth in CDEA's by-laws and standing policies.
- b) The Treasurer will secure all Association funds in a New York State banking institution that is convenient for them to conduct business. All Association funds must be held in bank accounts that are protected by FDIC.
- c) The Treasurer will be the primary signatory on all Association disbursements. The President, Vice President and Secretary will serve as alternate signatories.
- d) The Treasurer will be responsible for receiving all funds directed to CDEA. All funds received

will be recorded and deposited into the proper account. Members other than the Treasurer that receive funds on behalf of CDEA will forward these funds to the Treasurer in a timely manner.

- e) The Member-at-Large will serve to provide a “check and balance” for CDEA’s disbursements, and will review and approve all bills prior to payment by the Treasurer.
- f) The Treasurer will maintain separate and distinct accounts for standing programs which include Ronny Raindrop®, New York State Envirothon, New York State Fair, Frank Bratt Scholarship and others as deemed necessary and appropriate by the Executive Board. Year-end balances for these programs will be carried over to the next year and will not be included in CDEA’s general fund. The funds for the Frank Bratt Scholarship will be maintained in an interest bearing savings account or invested as allowed in CDEA’s Investment Policy.
- g) The Treasurer will provide a written financial report at each Executive Board meeting and the annual meeting. This will include income and disbursements and profit and loss.

2. Reimbursements

CDEA recognizes the fact that members may incur personal or SWCD expenses in the course of official Association business and it is the policy of CDEA to reimburse members for reasonable and legitimate expenses. The following policy covers reimbursements to members for official expenses.

- a)
- b) Reimbursements for meals, lodging and tolls requires the prior approval of the President. An exception to this policy may be made in the case of a committee (i.e. Envirothon) that has a pre-approved budget which includes these expenses.
- c) All members must submit a completed “Request for Reimbursement” form and appropriate bill or receipts to document the expenses being claimed. Requests will be sent to the Member-at-Large for approval prior to payment by the Treasurer.

3. Refunds

Under certain circumstances, CDEA accepts funds from members or their SWCDs for payment of fees associated with special training session, special conferences, or activities. This policy will cover refunds made by CDEA for special events. Timing, hotel cancellation policies, and subsequent fees will determine CDEA’s ability to process a refund request. Training session refunds other than the Water Quality Symposium will be determined on a case by case basis with the associated committee. See section D for the Water Quality Symposium refund policy.

- a) When a member or their District requests a refund, the request must be presented in writing to the President. The request should include the amount of refund requested and the reason(s) for the request.
- b) All requests for refunds will be reviewed by the Executive Board. The If approved, the Treasurer will make refunds to the party (employee or District) that originally made the payment.

Water Quality Symposium Refund Policy

PAYMENT:

All attendance fees for the Water Quality Symposium Annual Training Sessions must be paid prior to the event. Full payment for Symposium attendance must be received or postmarked by March 1st. If the attendance fee is not paid by the date, a late fee of \$50 may be added.

REFUNDS:

CANCELLATIONS MADE BY ATTENDEE:

If an attendee chooses not to attend an event, the cancellation must be made in writing to the NYSCDEA Vice President by March 1st to be considered for a refund.

CANCELLATIONS MADE BY NYS CDEA:

If the NYS CDEA cancels a class and that is the only class an attendee is attending, then a refund for the class will be granted. NYS CDEA will do its best to notify class participants that the class is canceled as soon as possible.

If the class is still held and the attendee does not notify the NYS CDEA Vice President by March 1st, then no refund or partial refund will be issued regardless of the reason for missing the course (weather, life circumstance, etc.). If an attendee attends a class and is dissatisfied with the presentation or content, no refund or partial refund will be issued.

Bereavements

The following policy covers CDEA's practice of recognizing a member's bereavement.

1. The CDEA will provide sympathy or get-well cards for members and their immediate family (spouse, mother, father, children).
2. The President shall have discretionary power to provide flowers or other items when appropriate.
3. Division VII oversee Donations / Bereavements.

Awards

The following policy will serve as a guideline for the administration of CDEA's awards banquet during the Water Quality Symposium.

1. The following awards are presented during the awards banquet:
 - a) Special Project Award - One award given each year for a District project. Acknowledges a District(s) that created a new service, conducted a special project or otherwise enhanced the District's overall program.
 - b) Merit Awards - Recognizes one employee in each of the 8 Divisions who has shown an outstanding effort in promoting their District and its activities.
 - c) District Director Award - One award given each year to a Director who has shown leadership, supervision and total dedication to the District in support of its image, activities and personnel.
 - d) Partner Appreciation Award - One award given each year to a non-District person or group who has promoted and supported soil and water conservation in New York State.
 - e) Heroic Action Award - Given to a District employee who has shown bravery in saving a life(s), either on or off duty.
 - f) Community Service Award - One award given each year to a District employee who, while on or off duty, has voluntarily provided service for their
 - g) community.
 - h) President's Award - Given at the discretion of the President to recognize the work of an employee(s) or other individuals who have benefited CDEA.
 - i) Willard F. Croney Award - This lifetime achievement award is given to a District employee in the state with outstanding or continuous excellence in the promotion of Soil and Water Conservation District employees and who demonstrates a special air of cooperation within and between fellow District employees and his/her performance exceeds normal job requirements.

2. CDEA Divisions VII and VIII are responsible for the Water Quality Symposium Awards Banquet and will send requests for nominations to all SWCDs by November 30 of each year.
3. With the exception of the President's Award and the Willard F. Croney Award, all nominations will be reviewed and winners selected by the Board of Representatives.
4. The President's Award will be awarded at the discretion of the President.
5. The Willard F. Croney Award nominations will be reviewed and a winner selected by all past Willard F. Croney for Distinguished Service recipients, who are NYS Conservation District Employees' Association members, along with the Division Representatives.
6. The chosen recipients of these awards will be kept in strict confidence until the night of the awards banquet.
7. Nominations must be submitted by a current SWCD District Employee.
8. Division VII and VIII Representatives will coordinate plaques, designate an MC for the awards banquet, purchase corsages for past Croney award recipients in attendance, and create a slide show with photos of award recipients.

Ronny Raindrop®

CDEA has devoted a great deal of time and financial resources to the development of Ronny Raindrop® for use in SWCD educational programs. The following policy covers the Ronny Raindrop® costume and trademark renewal. The trademark was last renewed 7/24/2018, and renewal is required every 10 years. The current CDEA board will designate a board member to proceed with renewal when it comes due.

1. CDEA will maintain an adequate supply of costumes to allow for the assignment of one to each Division.
2. In each Division, the Division Representative will have the responsibility for the storage and usage of the costume assigned to their Division. The Division Representative may assign the duty to a District in their Division if they do not have adequate space for storage, but the Representative maintains the overall responsibility for the costume.
3. When a District wants to use a costume, they must contact their Division Representative to schedule its use. If the costume assigned to their District is not available, one may be acquired from a neighboring District if it is not in use. The District that needs the costume will be responsible for contacting the Division Representative in the neighboring Division to schedule its use.
4. Ronny Raindrop® is a registered trademark belonging to CDEA, and as such, the registered mark (capital R in a circle) must be used after his proper name at all times. After the first occurrence, the registered trademark is not required when he is referred to as "Ronny."
5. When making appearances, Ronny Raindrop® cannot speak, as the voice is not copyrighted.
6. The costume and any graphic images of Ronny must contain a copyright mark. This mark is a capital C in a circle (©).

7. If a costume is damaged while in the possession of a District, that District will have the sole responsibility for the cost of repairs or replacement. **Costumes with substantial damage must be returned to CDEA for repair.** In all cases, Districts will contact their Division Representative prior to making any repairs. Please note that a new Ronny Raindrop® costs about \$4,000 to replace.
8. If Ronny Raindrop® is to be used by a person(s) not employed by a SWCD, the costume must be used under the direct supervision of a District employee and that District assumes responsibility for the costume.

Ronny Raindrop Use and Care Guide

Updated April 20, 2023

Assembly

1. Remove tent poles from the pocket and assemble into their four full lengths.
2. Insert tent poles into blue sleeves just above the strap attachment points, sliding each pole all the way through the sleeve and locking end of tent pole into the corresponding grommet at the top of the frame.
3. Hold the tent pole with one hand, below the sleeve, and gently pull on the anchor tab with the other hand, aligning tent pole end with the grommet. This will lock the tent pole in place and put the frame in light tension.
4. From the outside, hold the tent poles and lift the entire costume, gently shaking to open out the bottom hoops.
5. [Requires two people] One person ducks inside the costume and holds onto the tent poles, providing support, while the second person goes around the outside smoothing fabric and tugging any layers into place if needed.
6. If the sash is twisted, unhook it from the shoulder and smooth out. Place sash around the body and insert hooks into the two loops on the right shoulder. There will be a very faint click when they are fully engaged. You may have to hold the fabric right near each loop with your fingers to get full connection. If the sash ends have come loose, tie loosely in a square knot to secure it in place. The sash should not pinch Ronny's body.
7. Put the assembled costume on! The shoulder straps cross in the back with an X. Adjust the shoulder straps until it is comfortable to see out of the window of Ronny's mouth without ducking your head.
8. Put on the gloves - padding goes to the palm to shield against hard-hitting high fives.
9. Put on the shoes (if you do this last a helper will be needed). There are three sets of buckles to accommodate a wide variety of shoe sizes, but it is likely that you will only need to use two straps on each shoe to hold it in place. The shoes are designed to strap on over top of your street shoes.

Disassembly

1. Remove the costume and hold by the tent poles from the outside. If possible, place Ronny down onto the open carry case so that the bottom bands collapse into a nice pancake right in the case.
2. Reach underneath with both hands, holding a tent pole with one hand while gently pulling on the anchor tab with the other, unseating it from the grommet. The tent pole can then be pulled out without disturbing the other layers. Repeat on all four sides.
3. Once the tent poles are removed, fold the top half gently to one side so that Ronny's face is up and not creased.
4. Fold up the tent poles and place into the pocket on the outside of the carry case.
5. Gloves can be packed with the main costume to keep them clean, or inside the shoes if desired.
6. It is advised to wipe down the shoes with a cloth or towel to remove dust and mud before placing them into their carry case.

A well packed Ronny

Care

Spot clean all pieces with damp cloth and mild detergent (dish soap is great) as needed.

If absolutely necessary due to excessive grime, the fabric parts of the costume can be fully hand washed on infrequent occasions.

If a full washing is required, gloves can be hand laundered with mild soap in a bin or bucket. Squeeze out water gently and do not wring. Place on a laundry rack in a very dry environment with lots of air movement, using a fan if needed to dry out the foam more quickly.

If a full washing of the outer cover is needed, remove the cover from the frame, taking careful note of how the cover is attached to its frame.

1. Unzip the side
2. Unsnap the bottom edge from around the elastic
3. Untie the anchor points just above each armhole

The cover can now be shimmied off of the frame. Note that it is not an easy slide, you may want an extra person to help wrangle the larger hoops.

Hand wash gently in cool water with mild soap. Squeeze water out gently and do not wring. Place on a rack in a very dry environment with lots of air movement, using a fan if needed to dry out the foam more quickly.

If the hoops break apart at the connection point, they can be reattached by inserting the ends of the steel boning into their plastic connectors. If a connector gets lost, contact me for spare parts.

Enjoy! Ronny is built to last and be worn in comfort. If you have any difficulties and need consultation, please call, text, or email and I am happy to answer questions.

Guidelines of the New York State Envirothon Committee

PREAMBLE

The Envirothon is a competitive event for high school students organized by the New York State Conservation District Employees' Association Envirothon Committee. The New York State Envirothon is sponsored by the New York State Conservation District Employees' Association, Inc. (NYSCDEA), in cooperation with the Environmental Education Foundation (Foundation), the New York State Soil & Water Conservation Committee (NYS SWCC), USDA-Natural Resources Conservation Service (USDA-NRCS), New York Association of Conservation Districts, Inc. (NYACD) and the Empire State Chapter of the Soil and Water Conservation Society (ESC SWCS).

GOAL

The overall goal of the competition is to cultivate a desire to learn more about our natural environment through competitive events. The competition provides students with experience in environmentally oriented activities to enable them to become environmentally aware, action oriented adults. The overall success of this program is measured by the participating schools with Conservation Districts and the support of the cooperating agencies involved.

OBJECTIVES

The objectives of the New York State Envirothon program are:

- A. To cultivate a desire to learn more about our natural environment through competitive events that emphasizes hands-on learning experiences.
- B. To develop a greater appreciation for stewardship of the natural environment.
- C. To provide students with experience in environmentally oriented activities to enable them to become environmentally aware, action oriented adults able to make environmentally wise decisions by providing them knowledge of:
 - 1. The effects individual actions have on environmental problems.
 - 2. The interactions and interdependencies of our total environment.
 - 3. Renewable and non-renewable resources.
 - 4. Current environmental problems.
 - 5. Conservation organizations and agencies available to assist them on environmentally related matters.

PURPOSE

The purpose of the Envirothon Committee is:

- 1. To plan and organize the statewide Envirothon competition.
- 2. To provide guidance and advice to Conservation Districts concerning local competitions.
- 3. To promote the growth of the Envirothon program throughout the state and nation.
- 4. To participate on the National Conservation Foundation Envirothon (NCFEnvirothon) Committee and pass on information to all Districts statewide.
- 5. To provide training to both SWCD staff and teachers as needed.

MEMBERSHIP

A. The Envirothon Committee shall consist of representatives from local/state/federal agencies, organizations, groups or concerned citizens who have an interest in environmental education. Membership within the New York State Envirothon Committee is subject to appointment or approval by the New York State Envirothon Committee and the NYSCDEA on an annual basis. To be considered a member, an individual must complete a membership

form to be submitted to the NYSCDEA. The membership list will then be submitted to the Employees' Association for review. Voting members will consist of:

1. NYSCDEA, eight members (8), ideally with one representative of each Division
2. Treasurer of the NYSCDEA (1)
3. NYS Association of Conservation Districts, one (1)
4. NYS Soil and Water Conservation Committee, one (1)
5. USDA Natural Resources Conservation Service, one (1)
6. Empire State Chapter Soil and Water Conservation Society, one (1)
7. NYS Department of Environmental Conservation, one (1)
8. Education professional (1)

All other members will be considered advisory members and will not have voting privileges.

B. Committee commitment is from September 1 to August 31.

C. Representation from the county in which the Envirothon is being held shall be encouraged.

ORGANIZATION

1. Officers of the Envirothon Committee shall consist of a Chair, Vice-Chair, Secretary and Treasurer of the NYSCDEA.
2. Officers shall be elected annually by a majority vote of the committee members. This will take place at the end of the first meeting after the conclusion of the National Conservation Foundation Envirothon (NCF-Envirothon). If a slate of officers cannot be selected, then the previous year's officers shall hold office until such time as a new election can be held.
3. The Chair elect may be formally appointed by the President of the NYSCDEA. The Chair shall be the Executive head of the NYS Envirothon Committee and shall preside at all meetings.
4. The Secretary shall take minutes of all proceedings of the Committee and shall make them available to the members as soon as possible after the meeting.
5. Any member may be removed by a majority vote of the Committee members or by resolution of the Executive Board of the NYSCDEA.

CONDUCT OF BUSINESS

1. The Committee shall meet once a month, a minimum of ten times a year, unless otherwise specified. Special meetings of the Committee shall be scheduled by the Chair. Business may be conducted through telephone hookup, mail or e-mail.
2. Committee members are expected to attend at least 80 percent of the meetings. The attendance policy will be enforced. Exceptions may be made at the discretion of the Chair. If a member knows ahead of time that he/she will not be able to attend meeting, they will be expected to notify the Chair.
3. A quorum shall consist of a simple majority of voting members in attendance in order to conduct business.
4. Issues requiring Committee approval shall be decided by majority vote. Each of the voting Committee members shall have one vote.
5. The Committee shall elect members annually to the following standing subcommittees:

Site Coordinator (1)	Publicity/Information Liaison (1)
Tests Coordinator (2)	Registration/County Coordination (1)
Oral Presentation/Judge Coordination (2)	Volunteer Coordination (1)
Education/Recreational Activities (1)	T-shirts (1)
Awards (1)	Funding (2)
Refreshments and/or Door Prizes (1)	
6. The Chair may appoint special sub-committees as needed.
7. The Chair will provide a written report to, or attend the meetings of the Executive Board of the NYSCDEA

FINANCE

1. The Envirothon Committee's financial records shall be maintained and audited by the NYSCDEA. The Treasurer of the NYSCDEA will provide the Committee with accurate, up to date records at each monthly meeting.
2. Expenses and reimbursements must be authorized by the NYS Envirothon Committee. The Chair will certify that it is an approved expense and payment will be made by the Treasurer of the NYSCDEA.
3. The Treasurer will provide a financial report to the NYSCDEA Executive Board at their scheduled meetings.
4. Reimbursement of personal expenses and mileage will be determined on an annual basis, contingent upon the availability of funds.

REPRESENTATION

1. The Envirothon Committee shall elect two (2) representatives to the Foundation Board. The representatives shall attend the meetings of the Foundation Board and act as a Liaison between the Envirothon Committee and the Foundation.
2. The Envirothon Committee shall elect one (1) representative and one (1) alternate representative to the National Conservation Foundation Envirothon (NCF- Envirothon). Both representatives shall attend the winter and summer meetings subject to the availability of funds. The representatives shall act as the liaisons between the National Conservation Foundation Envirothon (NCF-Envirothon) and the NYS Envirothon Committee.

MISCELLANEOUS

1. Transportation

- A. If the National Conservation Foundation Envirothon (NCF-Envirothon) is located far enough away to warrant air transportation, the participating team including five (5) students and two (2) advisors will travel as a group. Two National Conservation Foundation Envirothon (NCF-Envirothon) Representatives and one (1) winning County Representative has the option to travel apart from the group. The winning County Representative may be District staff or a Director. In the event that a winning County representative is unable to attend, a member of the NYS Envirothon Committee will attend in their absence. Airline tickets will be furnished by the NYS Envirothon Committee. The North American Representative will be responsible for obtaining airline reservations. Reimbursement for the National Conservation Foundation Envirothon (NCF-Envirothon) Representatives and the winning County Representative will be provided by the NYS Envirothon Committee, but no more than the cost of the airfare. Upon prior approval by the NYS Envirothon Committee, vehicle rental reimbursement will be made to the National Conservation Foundation Envirothon (NCF-Envirothon) Representatives whose responsibility will be to secure the rental vehicle.
- B. If the National Conservation Foundation Envirothon (NCF-Envirothon) is located close enough to warrant land transportation, the participating team, including five (5) students and two (2) advisors will travel as a group. Two National Conservation Foundation Envirothon (NCF-Envirothon) Representatives and one (1) winning County Representative has the option to travel apart from the group. The winning county may be District staff or a Director. In the event that a winning County representative is unable to attend, a member of the NYS Envirothon Committee will attend in their absence. The National Conservation Foundation Envirothon (NCF- Envirothon) Representative will be responsible for vehicle rental. The vehicle rental fee and fuel will be provided by the NYS Envirothon Committee. If a student or advisor chooses to drive on their own or with a family to the National Conservation Foundation Envirothon (NCF-Envirothon), it will be done at the individual's expense.

2. Scholarships

The New York State Envirothon Academic Scholarship Award is designed to financially assist qualified applicants in obtaining degrees or certificates from accredited academic institutions of higher learning. The scholarships are awarded based on team placement at the New York State Envirothon competition.

Instructions

1. Scholarships may be used towards tuition, fees, living expenses, travel expenses, etc.
2. Scholarships are limited to use at an accredited degree or certificate granting institution of higher learning.
3. Scholarships can be paid directly to the institution of higher learning or the candidate based on requests made to the NYS Envirothon Committee.
4. Full-time and part-time students are both eligible to receive their scholarship.
5. Students have two years from the time of high school graduation to claim their scholarship.
6. Students need to provide one copy of the official transcript or invoice when claiming their scholarship.
7. Scholarships must be processed through the New York State Envirothon Committee and the New York State Conservation Districts Employees Association.
8. All scholarships are subject to annual funds availability through direct donations or through actual and/or accrued interest earnings from endowments.
9. Scholarships will be awarded without regard to race, color, religion, sex, national origin, age, or state of physical handicap.

AMENDMENTS

Committee proposed amendments to the Guidelines shall first be submitted to the Committee at a scheduled meeting. After review of suggested changes by the Committee, each member shall receive a final draft of the proposed amendment prior to the next scheduled meeting, at which time the amendment shall be voted upon for recommendation to the NYSCDEA.

Amendments to the Guidelines of the New York State Envirothon Committee must be approved by the Executive Board of the NYSCDEA.

Revised and Adopted: 2/5/2014

Four Way Partnership

**MEMORANDUM OF AGREEMENT
BETWEEN THE
NEW YORK STATE SOIL AND WATER CONSERVATION COMMITTEE,
NEW YORK ASSOCIATION OF CONSERVATION DISTRICTS,
NEW YORK STATE CONSERVATION DISTRICT EMPLOYEES' ASSOCIATION, INC.,
AND THE
UNITED STATES DEPARTMENT OF AGRICULTURE
NATURAL RESOURCES CONSERVATION SERVICE**

This Memorandum of Agreement (MOA) is made and entered into by and between the New York State Soil and Water Conservation Committee (SWCC), New York Association of Conservation Districts (NYACD), New York State Conservation District Employees' Association, Inc. (NYSCDEA), and the United States Department of Agriculture (USDA) Natural Resources Conservation Service (NRCS), hereinafter referred to as "the Parties."

PURPOSE

The purpose of this MOA is to cultivate strong partnerships, and strengthen cooperation among the Parties for the coordinated, interagency delivery of conservation assistance to landowners and others to sustain the health, diversity, and productivity of New York State's natural resources. The Parties share a long-term commitment to the conservation delivery system at the federal, state, and local level in order to assist producers, landowners, communities, and others to conserve natural resources across all counties of New York State and beyond. This approach supports decision making and advocacy at the local level that result in conservation plans and solutions that are practical and economical, and that lead to the wise use and management of natural resources. This mutual goal provides locally led natural resource conservation that addresses local, state, national and Tribal priorities while optimizing efficiency and effectiveness. As a partnership, we will put quality and science first, enable people to make sound conservation decisions, demonstrate professionalism and dedication, and strive for continued education as priorities evolve.

BACKGROUND

The Parties recognize the importance of natural resources, sound planning development, and project implementation and progress reporting. In addition, the Parties recognize the importance of working collaboratively, under their individual authorities, for the conservation, protection, and enhancement of soil, water, and related natural resources. The Parties further recognize that our State's resources are finite and under increasing pressure from a variety of impacts. Soil, water, air, plants, animals, humans, and energy are all addressed under the programs, initiatives, and partnership efforts of the Parties.

Examples of activities the Parties will address include, but are not limited to:

- Continuing to support the delivery of excellent and innovative services;
- Strengthening and modernizing conservation program delivery to optimize efficiency and effectiveness;
- Broadening our outreach to existing and new customers and partners;
- Supporting science-based decision making as close to the resource issue/opportunity as possible;
- Encouraging a voluntary approach as the primary means of accomplishing conservation goals;
- Using sound approaches to strengthen each Party and its role in the delivery of natural resources conservation across the State;
- Hosting trainings to educate staff on innovations in conservation and natural resources; and
- Attending meetings to ensure goals of this MOA are met and priorities addressed.

COLLABORATING TO MEET CUSTOMER NEEDS

The Parties recognize that the owners and managers of farmland, forestland, and other lands are key customers for our programs, funding opportunities, and activities. Increased coordination and collaboration are essential to our ability to provide effective and efficient assistance to a changing customer/owner base. The Parties believe that a strong 4-way partnership will positively influence decision makers, thereby increasing agricultural production and profitability, while

improving natural resource benefits.

TRAININGS AND MEETINGS

Staff trainings are essential to educate the Parties and ensure they offer their customers science based, sound conservation programs and services. Meetings are essential to the understanding of new funding opportunities developed by the Parties for their customers, landowners, and producers. The Parties will partner to host trainings for staff development that enhances and strengthens conservation education and job performance. The Parties will meet as needed to discuss challenges and solutions, and to give constructive feedback related to the 4-Way Partnership.

ROLES AND RESPONSIBILITIES

This MOA commits the Parties to increase cooperation within New York State to ensure coordinated, efficient, and effective delivery of conservation assistance. The actions taken under this MOA are expected to enable the Parties to accomplish their individual and collective conservation missions and goals in a strategic approach with greater efficiency.

The Parties recognize the unique and complementary role that each Party brings to the partnership:

- The New York Association of Conservation Districts unifies the Directors of local Soil and Water Conservation Districts statewide, and serves as a platform for relationships, networking, advocacy, training, and education.
- The New York State Soil and Water Conservation Committee works to advance comprehensive natural resources management through the support of local Soil and Water Conservation Districts. The SWCC operates under the leadership of the Department of Agriculture and Markets to establish policy, foster partnerships, and support diverse Conservation District programming that helps address environmental challenges and protect New York's natural resources. The SWCC is composed of voting and advisory members who represent a wide range of agricultural, environmental, and other interests. It is made up of five voting members appointed by the Governor of New York State. The Committee also includes nine advisory members.
- The New York State Conservation District Employees' Association, Inc. was formed in 1975 for the mutual advancement of the interests of its members to consider and deal with common problems, and to strengthen local Soil and Water Conservation Districts by providing assistance and information to local boards and employees. To that end, the Association has focused resources on creating and fostering opportunities for employee networking, professional development, and district outreach and promotion. CDEA operates with by-laws and policies.
- USDA-NRCS draws on a long history of helping people help the land. NRCS works in close partnerships with farmers, local and State Governments, and other Federal agencies to maintain healthy and productive working landscapes. NRCS is a source of interdisciplinary technical expertise for natural resource conservation and provides this assistance to landowners and communities in every county in New York.

The Parties will work to address conservation priorities through joint and individual actions. The agency contacts or designees listed will meet at least annually to review performance under this MOA, and provide recommendations as appropriate.

AGENCY CONTACTS

- NYACD: Blanche Hurlbutt, Executive Director
- SWCC: Bethany Bzduch, Executive Director
- NYS CDEA: Caitlin Stewart, President
- USDA-NRCS: Blake Glover, State Conservationist

AUTHORITIES

This MOA is entered into in accordance with the following laws and organization policy:

- The Department of Agriculture Reorganization Act of 1994, Public Law 103-354, 7 U.S. C. 6901-7014.
- Secretary's Memorandum 1010-1, Reorganization of the Department of Agriculture, dated October 20, 1994.
- Soil Conservation and Domestic Allotment Act, Public Law 74-461, 16 U.S.C. 590, as amended (16

U.S.C.590a, et seq.).

- Section 1242(d) of the Food Security Act of 1985, 16 USC 3842(d).
- New York State Soil and Water Conservation District Law Annotated Book 52B.
- Partner NYACD and NYSCDEA by-laws listed, etc.

GENERAL PROVISIONS

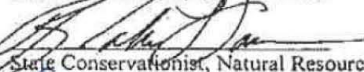

- This MOA takes effect upon the signatures of the Parties and remains in effect for 5 years from the date of execution. In the event of termination by one of the parties, the other parties will continue the MOA between them.
- This MOA is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity, by any party against the United States, its agencies, its officers, or any person.
- This MOA does not affect or modify existing regulations or agency responsibilities and authorities. It specifically does not commit agency activities beyond the scope of its mission and authorities under its organic statutes.
- SWCC, NYACD, NYSCDEA, USDA-NRCS and their respective officials will handle their own activities and utilize their own resources, including expenditures of their own funds, in pursuing the purposes of this MOA. Each party will carry out its separate activities in a coordinated and mutually beneficial manner.
- Nothing in this MOA shall obligate State Committee, NYACD, NYSCDEA, USDA-NRCS to expend or transfer funds. Specific work projects or activities that involve the transfer of funds, services, or property among the various agencies and offices of the Parties will require execution of separate agreements, and be contingent upon the availability of appropriated funds. Such activities must be independently authorized by appropriate statutory authority. This MOA does not provide such authority. Negotiation, execution, and administration of each such agreement must comply with all applicable statutes and regulations. Any information furnished to USDA-NRCS under this agreement is subject to the Freedom of Information Act (5 U.S.C. 552).
- All activities and programs conducted under this MOA shall be in compliance with the nondiscrimination provisions contained in Titles VI and VII of the Civil Rights Act of 1964, as amended; Civil Rights Restoration Act of 1987 (Public Law 100-250); and other nondiscrimination statutes; namely, Section 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendment of 1972, and the Age Discrimination Act of 1975. Also, they will be in accordance with regulations of the Secretary of Agriculture (7 CFR 15.3, subpart A), which provide that no person in the United State shall on the grounds of race, color, national origin, age, sex, religion, marital status, or handicap be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination from USDA or any agency thereof.
- All activities conducted under this MOA shall be in compliance with the Drug-Free Workplace Act of 1988 (Public Law 100-690, Title V, Subtitle D).

APPROVAL

The undersigned parties hereby agree to the terms and conditions specified above.

Executive Director, New York Association of Conservation Districts

Officer Guidelines and Responsibilities Supplemental Standards Of Operation – Treasurer

BANK STATEMENTS & RECONCILIATIONS:

- Bank statements are to be reconciled on a monthly basis.
- Reconcile each account; Checking Account, Savings Accounts, and CD Accounts.
- Email or fax the monthly bank statements to all executive board members for review. The Member at Large shall sign off on all reviewed statements. If the member at large is unavailable any of the other executive committee members present may sign as reviewed.
- Original copies of the most recently completed monthly reconciled bank statements shall be provided to the executive board for review at all regularly scheduled executive board meetings

REQUEST FOR REIMBURSEMENT FORMS:

- The “request for reimbursement form” must show the total amount of the requested reimbursement and be signed by the requesting party.
- The signature of the Member At Large verifies the total amount of request reimbursement.
- If the requested reimbursement does not match the verified reimbursement no payment will be made by the Treasurer.
- The signature of the NYS Envirothon Committee Chair is also required for reimbursements for NYS Envirothon expenses.
- The signature of the Treasurer is required when the check is written. The pay date, check number and reimbursement account shall be recorded on the reimbursement form.

DISBURSEMENTS:

- Payments will be issued by press number check only.
- No Electronic Fund Transfers out of any of the CDEA Bank Accounts is acceptable.

REPORTS TO THE BOARD:

The Treasurer shall provide a financial report at each regularly scheduled executive board meeting. The following Quickbooks generated reports are to be submitted to each committee member at least two days prior to the meeting:

- a. YTD Bank Report – showing prior period balances
- b. YTD Income Report
- c. YTD Expense Report
- d. YTD Total Budget vs Actual Report
- e. Check Register Report – Member At Large to review and sign as approved by the executive board

RECEIPTS/DEPOSITS:

- Record funds received into the correct accounts.
- Make copies of checks received.
- Print sales receipt from Quickbooks (use page with the copy of the check)
- Fill out cash receipt book.
- NRCS receipts are done via electronic fund transfer.

PROVIDED EQUIPMENT:

- One lap top computer
- One Quickbooks license

It is understood that the equipment provided to the Treasurer shall be used solely to perform the financial business of the executive board and for official business of the CDEA. Make, model and serial number, along with any computer software license information shall be provided to the Division II representative to be recorded in the records archive. This information should be updated as needed.

HARDSHIPS:

If the Treasurer incurs a hardship which requires a leave of absence from the executive board it is the responsibility of the Treasurer to inform the President and or Vice President as soon as physically possible. The President will make arrangements to collect CDEA equipment provided to the Treasurer within 14 days and coordinate the delegation of the Treasurers responsibilities for the duration of the hardship.

AUDITS:

The President shall provide an annual audit conducted by at least two individuals who are members of the CDEA; one shall be a Division Representative and one shall be the Treasurer.

FINANCIAL FORMS:

Request for Reimbursement Payment Authorization Fund Transfer

Audit Checklist

Checklist for Records of the Treasurer

Information/Reports that need to be supplied by the Treasurer:

Quickbooks Report – All Accounts Profit & Loss Statement

This should include all activities from January 1st through December 31st of the year being reviewed.

Quickbooks Report - Check Register Report

This should include all checks issued from January 1st through December 31st of the year being reviewed. The report should include: date of transaction, check number, name, memo, and amount.

Bank Statements – Monthly Bank Statements

This should include paper copy mailed from the financial institution or printed from the financial institutions online account for all accounts held from January 1st through December 31st of the year being reviewed.

Bank Statements – Account Transaction Report

This should include paper copy mailed from the financial institution or printed from the financial institutions online account for all accounts held from January 1st through December 31st of the year being reviewed.

Fiscal Year Being Reviewed: _____

Balances: (statements may be quarterly or monthly depending on account)

What was the prior years ending balance for each and all accounts?

Does the prior year ending balances match current years beginning balances?

Yes No _____

Are there any outstanding liabilities for the prior year ending balances to match current years beginning balances?

Yes No _____

Do bank statements balances match Quickbooks balances?

Yes No _____

Deposits:

Are all files and statements neat & orderly? Are receipt records maintained in a manner to	Yes	No

Update 3/18/2019

Frank Bratt Memorial Scholarship

The Frank Bratt Memorial Scholarship was initiated in 1990 to assist District employees with furthering their professional development and education. This scholarship can encompass a broad range of topics, with emphasis placed upon conservation related topics and subjects related to District function. Scholarships will be awarded based upon the supposed value of the course to the applicant, to be judged by the eight CDEA Division Representatives. The following policy covers the administration of the scholarship program.

1. The scholarship is available to members of CDEA, and SWCC staff only.
2. Eligible employees must hold a permanent position in their SWCD or SWCC. Full- time or part-time employees are eligible. Employees in temporary positions are not eligible for the scholarship.
3. Scholarships may be used for credit or non-credit classes, workshops, or other professional development programs.
4. Eligible expenses include conference/workshop fees, tuition, online courses, fees for books/manuals and lodging when needed. Meals are only eligible if it is part of the conference/training registration. CDEA sanctioned functions are ineligible as well as mileage, other travel costs. Exam fees, equipment, software and other supplies that are not part of the course fee are ineligible.
5. Applicants must provide the following information within 2 pages:
 - A competed scholarship application- 1 page.
 - A brief description of the class and explanation of how the educational program will improve the employee's job performance.
6. Applications must be received by the application deadlines to be considered. The scholarship will be available and awarded four times per year. Applications deadlines are the 1st of March, June, September, and December. A special meeting may be called to approve awards. Scholarships awards range from \$50 to \$750 per class/training. The number of scholarships awarded and the amounts are dependent upon number of applicants and funds available through the income and interest to the Frank Bratt Memorial Scholarship account.
7. All activities must be pre-paid. Scholarships will be paid upon submittal of CDEA Reimbursement Request and proof of registration and successful completion of professional development activity, i.e. a class certificate or attendance sheet. A Soil and Water Conservation District can be reimbursed for an employee's training if they prepay on behalf of the employee.
8. Scholarship recipients have two years from the award letter to complete their training OR scholarship recipients can be reimbursed for trainings that take place before an application deadline as long as the training activity has been completed within the previous 4 months of the application deadline.
9. Successful applicants will be notified within one week following the next regularly scheduled Executive Board meeting that follows the application deadline.

Frank Bratt Memorial Scholarship Application

The NYS Conservation District Employees Association holds a scholarship program for District employees who are interested in furthering their education. This scholarship can encompass a broad range of topics, with emphasis placed upon conservation related topics and subjects related to District function. Eligible expenses include conference/workshop fees, tuition, online courses, lodging when needed and books or manuals required for the training. Food is only eligible if it is part of the conference/training registration. CDEA sanctioned functions are ineligible as well as mileage or other travel costs.

Scholarships will be awarded based upon the supposed value of the course to the applicant, to be judged by the eight NYCDEA Division Representatives. The minimum amount of the scholarship is \$50, and the maximum is \$750. Successful applicants will be notified within one week following the next regularly scheduled Executive Board meeting or a special meeting that follows the application deadline. Scholarship recipients have two years from the award letter to complete their training OR scholarship recipients can be reimbursed for trainings that take place before an application deadline as long as the training activity has been completed within the previous 4 months of the application deadline.

Environmental Education Foundation

CERTIFICATE OF INCORPORATION OF THE ENVIRONMENTAL EDUCATION FOUNDATION OF SOIL AND WATER CONSERVATION

PURSUANT TO SECTION 402 OF THE NOT-FOR-PROFIT CORPORATION LAW

ARTICLE I

The name of the organization shall be THE ENVIRONMENTAL EDUCATION FOUNDATION OF SOIL AND WATER CONSERVATION and it was incorporated on September 27, 2002.

ARTICLE II

The corporation is a corporation as defined in subparagraph (a)(5) of Section 102 (Definitions) of the Not-for Profit Corporation Law.

ARTICLE III

The corporation is organized exclusively to promote environmental education by providing financial support to the New York State Envirothon, (an environmental program for high school age students that promotes education through the spirit of competition), scholarships, conferences, and other forms of environmental education and dissemination.

ARTICLE IV

The corporation shall be a Type B corporation pursuant to Section 201 of the Not-for-Profit Corporation Law.

ARTICLE V

The office of the corporation is to be located in the County of Seneca, State of New York.

ARTICLE VI

The Secretary of State is designated as agent of the corporation upon whom process against it may be served. The address within or without this state to which the Secretary of State shall mail a copy of any process accepted on behalf of the corporation is:

c/oCDEA

2041 US Route 20, Suite 2 Seneca Falls, NY 13148

ARTICLE VII

SECTION 1: Notwithstanding any other provisions of these articles, the corporation is organized exclusively for one or more of the purposes as specified in 501(c)(3) of the Internal Code Revenue of 1954, and shall not carry on any activities not permitted to be carried on by a corporation exempt from Federal income tax under IRC 501(c)(3) or corresponding provisions of any subsequent Federal tax law.

No part of the net earnings of the corporation shall inure to the benefit of any member, trustee, director, officer of the corporation, or any private individual (except that reasonable compensation may be paid for services rendered to or for the corporation), and no member, trustee, officer of the corporation or any private individual shall be entitled to share in the distribution of any of the corporation assets on dissolution of the corporation.

SECTION 2: No substantial part of the activities of the corporation shall be carrying on propaganda, or otherwise attempting to influence legislation except as otherwise provided by IRC 501(h) or participating in, or intervening in (including the publication or distribution of statements), any political campaign on behalf of any candidates for public office.

SECTION 3: The corporation shall not lend any of its assets to any officer or director of this corporation (unless such loan program is regularly conducted as part of the activities of the organization and the qualification of the individual to participate in same is determined by a panel comprised solely of non-Board members), or guarantee to any person the payment of a loan by an officer or director of this corporation.

SECTION 4: A grantor and/or donor may, with respect to a grant and/or donation, give directions:

- (a) As to the field of charitable purposes or objects for which the gift is to be held and used, and
- (b) As to whether such gift shall be permanent fund or whether both principal and income may be utilized by the corporation.

The corporation will use its best efforts to follow the directions of the grantor and to carry out his or its intent and purposes and all gifts to the corporation are made and accepted subject to the provisions heretofore stated in Article VIII.

ARTICLE VIII

DIRECTORS/MEMBERS

The corporation shall have no voting members. The management and affairs of the corporation shall be at all times under the direction of a Board of Directors, whose operations in governing the corporation shall be defined by statute and by the corporation's by-laws. No Director shall have any right, title, or interest in or to any property of the Corporation.

ARTICLE IX

BY-LAWS

SECTION 1: The Board of Directors shall be composed of up to twelve (12) members, three (3) shall be from the Executive Board of the New York State Conservation District Employees Association (CDEA), five (5) shall be from the general membership of the CDEA, two (2) shall be from the then current NYS Envirothon Committee, and two (2) may be selected by the current directors for the public at large.

SECTION 2: The Board is responsible for overall policy and direction of the foundation and delegates responsibility for day-to-day operation to the Chairperson and committees.

SECTION 3: The Board shall meet at least once annually at an agreed time and place. Special meetings may be called by the Chair or the Executive Committee. Notice of special meetings shall be given to each Board member, by mail, not less than ten (10) days before the meeting.

SECTION 4: Election of new directors or election of current directors to a succeeding term will occur as the first item of business at the annual meeting of the

corporation. Directors will be elected by the majority vote of the current directors.

SECTION 5: There are no term limits for Board members.

CT ON 6: The physical presence at a meeting, and/or participation by conference telephone call or similar form of audio/video conferencing, of a simple majority of the total number of all Members and At-Large Members that would constitute the full membership, as determined at the January meeting of each year, will constitute a quorum.

CT ON 7: There shall be four (4) officers of the Board consisting of a Chair, Vice- Chair, Secretary, and Treasurer. Their duties are as follows:

The Chair shall convene regularly scheduled Board meetings, shall preside or arrange for other members of the executive committee to preside at Each meeting in the following order: Vice-Chair, Secretary, and Treasurer.

The Vice-Chair will assist the Chair and serve in the absence of the Chair and may represent the Board as requested.

The Secretary shall be responsible for keeping records of Board actions, including overseeing the taking of minutes at all board meetings, sending out meeting announcements, distributing copies of minutes and the agenda to each Board member, and assuring that corporate records are maintained. The Treasurer shall make a report at each Board meeting. The Treasurer shall assist in the preparation of the budget, help develop fundraising plans, and make financial information available to Board members and the public.

CT ON 8: When a vacancy on the Board exists, nominations for new members may Be received from present Board members by the Secretary two (2) weeks in advance of a Board meeting. These nominations shall be sent out to Board members with the regular Board meeting announcement, to be voted upon at the next Board meeting.

CT ON 9: Resignation from the Board must be in writing and received by the Secretary. A Board member shall be dropped for excess absences from the Board if she/he has three unexcused absences from Board meetings in a year. Only the Chair may excuse a member from the meeting. A Board member may be removed for other reasons by a three-fourths vote of the remaining Directors.

SECTION 10: Special meetings of the Board shall be called upon the request of the Chair or one-third of the Board.
Notices of special meetings shall be sent out by the Secretary to each Board member.

ARTICLE X

AMENDMENTS

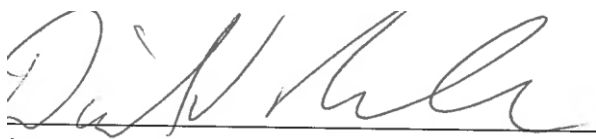

By-laws may be amended when necessary by a majority of the Board of Directors. Proposed amendments must be submitted to the Secretary to be sent out with regular Board announcements.

ARTICLE XI

DISSOLUTION

Upon the time of dissolution of the corporation, assets shall be distributed by the Board of Directors, after paying or making provisions for the payment of all debts, obligations, liabilities, costs and expenses of the corporation, for one or more exempt purposes within the meaning of section 501 c (3) of the Internal Revenue Code or the corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not so disposed of shall be disposed by a Court of Competent Jurisdiction of the count in which the principal office of the corporation is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

Voted upon and approved at a Council meeting held on: January 8, 2018

A handwritten signature in dark ink, appearing to be 'D. N. H. L.', written over a horizontal line.

CERTIFICATE PROGRAM

Mission Statement

The purpose of this certificate program is to establish and maintain a process to identify and recognize individuals who are capable of developing, designing, inspecting and maintaining erosion and sediment control plans on projects that disturb soils in New York State. The development and oversight of these plans will be executed in accordance with the New York State Standards and Specifications for Erosion and Sediment Control and the New York State Pollutant Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity.

CERTIFICATE PROGRAM

Program Information

A. Registration: Any individual who successfully completes the requirements established for holders of the New York State Erosion and Sedimentation Control Certificate, is current in their requirements for Professional Development Hours (PDHs) per the Professional Development Policy, and continues to enlist with the purposes, policies and ethics of this Certificate Program, shall be duly accepted by the Certificate Steering Committee as a registrant in good standing upon the payment of the annual fee as required by the Program Policy.

Certificate holders must record all activities and work experience to be submitted for continuing education credit on the New York State Erosion and Sediment Control Professional Development Hours Reporting Form, and retain a copy of the form and all documentation and records for a period of five (5) years after Certificate renewal.

The New York State Erosion and Sediment Control Certificate Program Steering Committee and Program Administrator randomly audit five percent (5%) of the Certificate holders to assure compliance with the Professional Development Policy. Certificate holders should be prepared to produce

documentation of PDHs submitted for renewal if selected for an audit.

Certificate holders who falsify continuing education credit records may be subject to suspension or revocation of their Certificate.

B. Fees: Application fees and annual renewal fees of the certificate registrants shall be established from time to time by the Certificate Steering Committee and approved by the NYS Conservation District Employees' Association Board. Annual renewal fees shall be payable by January 1 each year to the Program Administrator. If renewal fees are not paid within thirty days from the date of such notice, the certificate of the registrant shall be automatically suspended. The Program Administrator will send a letter to the registrant asking for the PDH Renewal Form and associated documentation for the PDH credits such as certificates of attendance, agendas, attendee sign-in sheet, etc. and fee to be submitted within 90 days of receipt of the letter. Any registrant, whose certificate has been suspended, may be reinstated by the Certificate Steering Committee upon such terms and conditions as it may provide, including a reinstatement fee of \$75 in addition to the annual renewal fee. If such terms and conditions are not met for certificate reinstatement within 2 years from the date on the registrant's certificate, then the certificate of the registrant will be

terminated. Once terminated, the previously registered individual must repeat the application and exam process including paying the established fees for both.

Exam fees and Implementation Course fees shall be established from time to time by the Certificate Steering Committee and approved by the NYS Conservation District Employees' Association Board.

All fees are payable to the Program Administrator.

Fee Schedule

<u>Application Fee:</u>	<u>\$150</u>
<u>Exam Fee:</u>	<u>\$100</u>
<u>Certificate Registrant Renewal Fee:</u>	<u>\$100</u>
<u>Erosion & Sediment Control Implementation Course Fee:</u>	<u>\$250</u>
<u>with Professional Development Hour (PDH) credit:</u>	<u>\$350</u>
<u>Reinstatement Fee</u>	<u>\$ 75</u>

C. Application: To apply to sit for the exam, the individual must use the “Application Forms” provided and submit the application 30 days before the scheduled exam to the Program Administrator. Two endorsements are required. One must be from a current or former supervisor familiar with work that the

applicant is claiming experience for and provided on the form “Professional Experience Summary Sheet”, which is part of the “Application Forms”. The second must be from a working professional, working in one of the fields listed in Part 3A of the “Application Form”. An application only reaches submitted status once both endorsements have been received by the administrator. The application review subcommittee will provide eligible applicants with an exam admittance document within 14 days of receipt of the application. The potential registrant must meet the eligibility criteria set forth in the “Application Forms” to submit an application for consideration. Approved applicants, must take a 3.5-hour written, open-book exam, and earn a score of 75 percent or higher. Upon passing the exam, the individual will receive a letter from the Program Administrator with the score achieved, the newly registered NYS Erosion and Sediment Control Certificate number, and the Certificate. Individuals that do not receive a passing score, will receive a letter from the Program Administrator with the score. Individuals that fail the exam will have up to two (2) years from the application approval to retake the exam. After the two (2) year deadline, the individual will have to reapply for the program.

Certificate Steering Committee

A. General Powers: The governance of the New York State Erosion and Sediment Control Certificate shall be managed by the Certificate Steering Committee in accordance with the provisions of this Policy and Procedures document.

B. Number of Committee Members: The number of committee members on the Certificate Steering Committee shall not be less than eight (8). Additional members to the Certificate Steering Committee may be added to the Certificate Steering Committee upon affirmative vote by the current Certificate Steering Committee. The Certificate Steering Committee will have one (1) member from the NYS Department of Environmental Conservation and two (2) members from the NYS Conservation District Employees Association (CDEA), plus the NYS CDEA Program Administrator (1).

C. Term and Qualifications: The Certificate Steering Committee members shall be appointed to serve for a term of two years. Certificate Steering Committee members may serve a maximum of two consecutive terms.

D. Selection of Committee Members: Certificate Steering Committee

members shall be selected from each participating individual government agency at least three months prior to the close of the current term of the fiscal year (March 31st). Candidates for Certificate Steering Committee membership will be sought by the standing Certificate Steering Committee from the participating agencies following their recommendations.

E. Resignation: A committee member may resign at any time by

communicating such resignation in writing to the presiding chair of the Certificate Steering Committee. The resignation is effective 30 days after the communication unless the notice specifies a later effective date or subsequent event upon which it will become effective.

F. Certificate Steering Committee Meetings: Certificate Steering

Committee meetings shall be held a minimum of twice each year. The location of the meetings will be such places and times as the committee may direct. A quorum at any regularly scheduled committee meeting is necessary to conduct the business of the certificate program and shall consist of 51 percent of the committee membership. Any one or more Certificate Steering Committee members may participate and shall be deemed present, at a Board or Committee meeting by means of telephone or video conferencing, web-based conferencing, or other real-time

communication system that allows all meeting attendees to give and receive all communications and allows full participation. A resolution or resolutions shall be valid and effectual without a meeting, whether embodied in the form of minutes or not, if there is unanimity of all members of the Certificate Steering Committee. The resolution shall be effective on the date of agreement and shall be recorded and included in the minutes of the next regular meeting.

G. Votes conducted by Email

The committee may pass resolutions by email voting. To conduct a vote, the committee chairperson will email all committee members with the proposed resolution. Each member will respond with their vote within 5 business days. A resolution will be considered passed upon approval of a majority of the committee. The committee chairperson will save the email replies, record all cast votes, and inform the committee of the results. A resolution shall be effective on the date of the successful vote, and shall be included in the minutes of the next regular meeting.

H. Conflict of Interest: No person shall serve as a member of the

Certificate Committee whose participation constitutes a conflict of interest.

A conflict of interest shall exist in instances where either personal or employment interests are affected by decisions of the Committee.

Executive Committee (Officers)

1. The Certificate Steering Committee will elect four committee members (Officers) to constitute an Executive Committee, which shall have the responsibility of coordinating the governance and management of the business and affairs of the Program with the NYSCDEA Inc. during intervals between Committee meetings. The Executive Committee shall consist of the Chair, the Administrative Vice Chair, the Financial Vice Chair and the Technical Vice Chair. Mid-term vacancies in the membership of the Executive Committee shall be filled by a majority of the remaining Executive Committee at a regular meeting or at a special meeting called for that purpose. The Executive Committee shall keep minutes of its proceedings and shall report to the Certificate Steering Committee on actions taken. Minutes of meetings of the Executive Committee shall be prepared and kept with the records of the Certificate Steering Committee.
2. The Officers of the Executive Committee shall be elected by the Certificate Steering Committee members at the first Certificate Steering Committee meeting of the calendar year. Each officer shall hold office for a term of two years. The election of the

Chair and Administrative Vice Chair shall be conducted in even ending calendar years and the election of the Financial Vice Chair and the Technical Vice Chair shall be conducted in odd ending calendar years.

3. The Chair shall have the overall leadership role for the Certificate Steering Committee and shall supervise and administer the management of the Certificate Steering Committee in accordance with these policies and procedures. The Chair shall sign, with any other proper officer, instruments which may be lawfully executed on behalf of the Certificate Steering Committee, except where required or permitted by law to be otherwise signed and executed, and except where the signing and execution shall be delegated by the Certificate Steering Committee to some other officer or agent. In general, the Chair shall perform all duties incident to the office of Chair and such other duties as may be assigned by the Executive Committee from time to time.
4. The Administrative Vice Chair shall oversee and coordinate with the NYSCDEA Inc. the administration of the New York Erosion and Sediment Control Certificate Program, including the application review committee, application procedures, liaison

with supporting organizations, and membership and shall have such other powers and perform such other duties as may be assigned by the Executive Committee. The Administrative Vice Chair shall keep accurate records of the acts and proceedings of all meetings of the Certificate Steering Committee and the Executive Committee and shall give all notices required by policy.

5. The Financial Vice Chair shall have the general oversight of the program books and financial records and maintain coordinating oversight of all funds and securities belonging to the Program; shall sign such instruments as may require the signature of the Financial Vice Chair; shall prepare reports with NYSCDEA Inc. for funds received, deposited or disbursed under the direction of the Committee for acceptance. The Committee may appoint a custodian or depository for any such funds or securities, and the Executive Committee may designate those persons upon whose signature or authority such funds may be disbursed or transferred. The Financial Vice Chair shall in general perform the duties incident to the office and such other duties as may be assigned from time to time by the Chair or the Certificate Steering

Committee, including the budget, operations, taxes, audits, expenses, dues, compensation for employees, fee structure and outside financial support.

6. The Technical Vice Chair shall preside at all meetings in the absence of the Chair and Administrative Vice Chair. The Technical Vice Chair shall oversee the technical activities of the Program, including educational activities, training courses, exam content, trainer's credentials, peer review committees and Continuing Education Units.

Standing Committees

1. Standing or other committees having two or more members may be designated by a resolution adopted by the Certificate Steering Committee. Vacancies in the membership of such committees shall be filled by appointment made in the same manner as provided in the case of the original appointment.
2. Any one or more members or members of a committee may participate in a meeting of the committee by means of a conference telephone or similar communications device which allows all committee members participating in the meeting to simultaneously hear each other during the meeting, and such

participation in a meeting shall be deemed presence in person at such meeting.

3. Application Review Committee: The purpose of the Application Review Committee (ARC) is to establish a formal review process for individuals who have made application to the Program to become a registered certificate holder in erosion and sediment control in New York State.

4. Technical Review Committee: Consists of the Technical Vice Chair, and two additional committee members appointed by the Certificate Steering Committee. This committee reviews the exam content, training courses, instructor credentials and Continuing Education Units (CEUs).

AMENDMENTS

These policies and procedures may be amended or repealed and new policies and procedures may be adopted by the affirmative vote of a majority of the Certificate Steering Committee at any meeting of the Certificate Steering Committee members; provided, that notice of the meeting shall have been given which states that the purpose or one of the purposes of the meeting is to consider a proposed amendment to the policies and procedures and

includes a copy or summary of the proposed amendment or states the general nature of the amendment.

CIVIL RIGHTS

Section 1. NON-DISCRIMINATION: The New York State Erosion and Sediment Control Certificate Program will be in compliance with all requirements with regards to non-discrimination as contained in the United States of America Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; and other required laws and regulations pertaining to non-discrimination.

Section 2. EQUAL OPPORTUNITY: No person shall, on the grounds of race, color, national origin; religion, sex, age, physical handicap, or political affiliation shall be excluded from participation in, be denied the benefits of, nor be subject to discrimination within any activity of the New York State Erosion and Sediment Control Certificate Program.

THIS IS TO CERTIFY that the above Policies and Procedures for
the New York State Erosion and Sediment Control Certificate Program
were duly adopted per vote of the Program Steering Committee.

This the 24 day of July, 2021

Chair, Certificate Steering Committee

STANDARDS OF ETHICS

I. General Principles

1. The privilege of practice imposes obligations of morality and responsibility.
2. Each registrant agrees to be guided by the highest standards of ethics, personal honor, and professional conduct.

II. Relation of Professional to the Public

1. A Registrant shall avoid and discourage sensational, exaggerated, and/or unwarranted statements that might induce participation in unsound enterprises.
2. A Registrant shall not knowingly permit the publication of his or her reports or other documents for any unsound or illegitimate undertaking.
3. A Registrant shall not give professional opinion or make a recommendation without being as thoroughly informed as might reasonably be expected considering the purpose for which the opinion or recommendation is desired, and the degree of completeness of information upon which it is based should be made clear.
4. A Registrant may publish dignified business, professional, or announcement cards, but shall not advertise his or her work or accomplishments in a self-laudatory, exaggerated, or unduly conspicuous manner.
5. A Registrant shall not issue a false statement or false information even through directed to do so by employer or client.

III. Relation of Professional to Employer and Client

1. A Registrant shall protect, to the fullest extent possible, the interest of their employer or client insofar as such interest is consistent with the law and his or her professional obligations and ethics.
2. A Registrant who finds that his or her obligations to their employer or client conflict with his or her professional obligation or ethics should have such objectionable conditions corrected or resign.
3. A Registrant shall not use, directly or indirectly, any employer's or client's information in any way that would violate the confidence of the employer or client.

4. A Registrant retained by one client shall not accept, without client's written consent, an engagement by another if the interests of the two are in any manner conflicting.
5. A Registrant who has made an investigation for any employer or client shall not seek to profit economically from the information gained, unless written permission to do so is granted, or until it is clear that there can no longer be a conflict of interest with the original employer or client.
6. A Registrant shall not divulge information given in confidence.
7. A Registrant shall engage, or advise his employer or client to engage, and cooperate with other experts and specialists whenever the employer's or client's interests would be best served by such service.
8. A Registrant shall not accept a concealed fee for referring a client or employer to a specialist or for recommending professional service other than one's own.

IV. Relation of Professionals to Each Other

1. A Registrant shall not falsely or maliciously attempt to injure the reputation of another.
2. A Registrant shall freely give credit for work done by others to whom the credit is due, shall refrain from plagiarism in oral and written communications, and not knowingly accept credit rightfully due another person.
3. A Registrant shall not use the advantages of salaried employment to compete unfairly with another member of the profession.
4. A Registrant shall endeavor to cooperate with others in the profession and encourage the ethical dissemination of technical knowledge.
5. A Registrant having knowledge of unethical practices of another Registrant shall avoid association with that Registrant in professional work.

APPENDIX B

New York State Erosion and Sediment Control Certificate Program Implementation Review Course Instructor Eligibility

To be an instructor of the NYSE&SCCP Implementation Course the individual must meet the following criteria:

1. Be a NYS Conservation District employee, New York State Department of Environmental Conservation employee or New York State Ag and Markets Soil & Water Conservation Committee; and
2. Have their Certification through the New York State Erosion and Sediment Control Certificate Program Certificate (NYSE&SCCP) or be a Certified Professional in Erosion and Sediment Control (CPESC), or New York State Licensed Professional Engineer; and
3. Completed the full New York State Erosion and Sediment Control Certificate Program Implementation Course; and
4. Co-teach the course with the current instructors; and
5. After co-teaching the course, individual must be approved by the steering committee to become an instructor.

APPENDIX C

New York State Erosion and Sediment Control Certificate Program Exam Proctor Eligibility

1. Be a NYS Conservation District employee, New York State Department of Environmental Conservation employee or New York State Ag and Markets Soil & Water Conservation Committee; and
2. Have their Certification through the New York State Erosion and Sediment Control Certificate Program Certificate (NYSE&SCCP) or be a Certified Professional in Erosion and Sediment Control (CPESC) or New York State Licensed Professional Engineer.

APPENDIX D

New York State Erosion and Sediment Control Certificate Program FEE/REFUND/ATTENDANCE POLICY

- In the event that a registered attendee does not show for a class, or call the event organizer and/or the program administrator to notify them ahead of time that they cannot make the scheduled class, no refund will be given.
- In the event that a registered attendee contacts the event organizer and/or the program administrator at least 24 hours prior to the class date to notify that they will not be in attendance, then they can attend another session within 6 months of the original class date with no fee charged.
- In the event that a registered attendee contacts the event organizer and/or the program administrator and states that they cannot make it due to a legitimate emergency (such as medical) or delay (such as plane or train delay), the Program Administrator may offer a full refund to such individual upon review and authorization by the NYSE&SCCP Committee. Otherwise, NO REFUNDS are permitted for this program under any other circumstances.
- Upon prior notification to the event organizer and/or the program administrator, a company may switch the attendee for the class without any penalty.

Whistleblower Protection Policy

The New York State Conservation District Employee's Association (CDEA) requires members to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As members and representatives of the CDEA, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

Reporting Responsibility

This Whistleblower Policy is intended to encourage and enable members, employees and others to raise serious concerns internally so that CDEA can address and correct inappropriate conduct and actions. It is the responsibility of all board members, officers, employees and volunteers to report concerns about violations of CDEA's code of ethics or suspected violations of law or regulations that govern CDEA's operations.

No Retaliation

It is contrary to the values of CDEA for anyone to retaliate against any board member, officer, employee or volunteer who in good faith reports an ethics violation, or a suspected violation of law, such as a complaint of discrimination, or suspected fraud, or suspected violation of any regulation governing the operations of the CDEA. A member who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of membership.

Reporting Procedure

The CDEA suggests that members share their questions, concerns, suggestions or complaints with your Division Representative or a member of the board. If you are not comfortable speaking with your Division Representative or a member of the board, or you are not satisfied with their response, you are encouraged to speak with the President of the CDEA. Members are required to report complaints or concerns about suspected ethical and legal violations in writing to the CDEA's Compliance Officer, who has the responsibility to investigate all reported complaints. Members with concerns or complaints may also submit their concerns in writing directly to their supervisor or the President or the CDEA's Compliance Officer.

Compliance Officer

The CDEA's Compliance Officer is responsible for ensuring that all complaints about unethical or illegal conduct are investigated and resolved. The Compliance Officer will advise the Board of Directors of all complaints and their resolution and will report at least annually to the Treasurer on compliance activity relating to accounting or alleged financial improprieties.

Accounting and Auditing Matters

The CDEA's Compliance Officer shall immediately notify the Treasure and Member at Large of any concerns or complaints regarding corporate accounting practices, internal controls or auditing, and work with the committee until the matter is resolved.

Acting in Good Faith

Anyone filing a written complaint concerning a violation or suspected violation must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

Confidentiality

Violations or suspected violations may be submitted on a confidential basis by the complainant. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

Handling of Reported Violations

The CDEA's Compliance Officer will notify the person who submitted a complaint if known and acknowledge receipt of the reported violation or suspected violation. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

Compliance Officer

The Compliance Officer will be elected by the CDEA's Board of Directors annually. The Compliance Officer will be elected from one of the CDEA Division Representatives.

I have reviewed this policy and agree:

Name: _____

Title: _____ Policy approved by
the Board of Directors on Nov 10, 2020.

Current Compliance Officer is the CDEA Secretary.

Conflict of Interest Policy

Article I - Purpose

The purpose of the Conflict of Interest Policy is to protect the interest of the New York State Conservation District Employees' Association (CDEA) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a member of CDEA or might result in a possible excess benefit transaction. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II - Definitions

1. **Interested Person:** Any director or member of a committee with governing board delegated powers who has a direct or indirect financial interest, as defined below, as an interested person.
2. **Financial Interest:** A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
 - a. An ownership or investment interest in any entity with which CDEA has a transaction or arrangement;
 - b. A compensation arrangement with CDEA or with any entity or individual with which CDEA has a transaction or arrangement; or
 - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which CDEA is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration, as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III - Procedures

1. **Duty to Disclose:** In connection with any actual or possible conflict of interest, and interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.
2. **Determining Whether a Conflict of Interest Exists:** After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the

governing board committee meeting while the determination of a conflict of interest is discussed and acted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest:

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether CDEA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in CDEA's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy:

- a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV - Records of Proceedings

The minutes of the governing board and all committees with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing boards or committee's decision as to whether a conflict of interest in fact existed; and
- b. The names of the persons who were present for discussion, including any alternatives to the proposed transactions or arrangement, and a record of any votes taken in connection with the proceedings.
- c.

Article V - Compensation

- a. A voting member of the governing board who receives compensation, directly or indirectly, from CDEA for services is precluded from voting on matters pertaining to that member's compensation.
- b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from CDEA for services is precluded from voting on matters pertaining to that member's compensation.
- c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from CDEA, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

Article VI - Annual Statements

Each director, principal officer and member of a committee with governing board delegated power shall annually

sign a statement that confirms such person:

- a. Has received a copy of the Conflict of Interest Policy;
- b. Has read and understands the policy;
- c. Has agreed to comply with the policy; and
- d. Understand that CDEA is charitable and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its exempt purpose.

Article VII - Periodic Reviews

To ensure CDEA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining; and
- b. Whether CDEA's joint ventures and arrangements with management organizations conform to CDEA's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in impermissible private benefit or an excess benefit transaction.

Article VIII - Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, CDEA may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring that periodic reviews are conducted.

Adopted: Nov 10, 2020

Acknowledgement and Affirmation

The undersigned, a voting member, a member of a committee with board delegated powers, an officer or employee hereby affirms under the penalty of perjury:

- a. I have received a copy of the Conflicts of Interest Policy;
- b. I have read and understand the policy;
- c. I have agreed to comply with the policy, and
- d. I understand that CDEA is a not for profit organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Code of Conduct and Ethics

We, as the New York State Conservation District Employee's Association (CDEA) Board Members, dedicate ourselves to carrying out the mission of this organization. We will do the following:

1. Recognize that the chief function of CDEA, at all times, is to serve the best interests of our constituency.
2. Accept as a personal duty the responsibility to keep up-to-date on emerging issues and to conduct ourselves with professional competence, fairness, impartiality, efficiency, and effectiveness.
3. Respect the structure and responsibilities of the board, provide them with facts and advice as a basis for their policy making decisions, and uphold and implement policies adopted by the Board.
4. Keep the community informed about issues affecting it.
5. Conduct our organizational and operational duties with positive leadership exemplified by open communication, creativity, dedication, and compassion.
6. Exercise whatever discretionary authority we have under the law to carry out the mission of the organization.
7. Serve with respect, concern, courtesy, and responsiveness in carrying out the organization's mission.
8. Demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all our activities in order to inspire confidence and trust in our activities.
9. Avoid any interest or activity that is in conflict with the conduct of our official duties.
10. Respect and protect privileged information to which we have access in the course of our official duties.
11. Strive for personal and professional excellence and encourage the professional development of others.

Approved - Nov 10, 2020

Investment Policy

I. SCOPE

This investment policy applies to all moneys and other financial resources available for investment by the NYS Conservation District Employees Association (hereafter referred to as NYS CDEA) on its own behalf or on behalf of any other entity or individual.

II. OBJECTIVES

The primary objectives of the NYS CDEA investment activities are:

- to conform with all applicable federal, state and other legal requirements (legal);
- to adequately safeguard principal (safety);
- to provide sufficient liquidity to meet all operating requirements (liquidity); and
- to obtain a reasonable rate of return (yield).

III. DELEGATION OF AUTHORITY

The NYS CDEA Board's responsibility for administration of the investment program is delegated to the NYS CDEA Treasurer, who shall establish procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a data base or records incorporating description and amounts of investments, transaction dates, and other relevant information and regulate the activities of subordinate employees.

IV. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the associations trust and shall avoid any transaction that might impair employees confidence in the Board of Directors of the NYS CDEA to govern effectively.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence discretion and intelligence exercise in the management of their own affairs, not for speculations, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

V. DIVERSIFICATION

It is the policy of the NYS CDEA to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

VI. INTERNAL CONTROLS

It is the policy of the NYS CDEA for all moneys collected by any Association officer or employee to transfer those funds to the Treasurer upon receipt, or within the time period specified in law, whichever is shorter.

The NYS CDEA Board is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization and recorded properly and that transactions are managed in compliance with applicable laws and regulations.

VII. DESIGNATION OF DEPOSITARIES

The Treasurer is authorized to deposit monies or purchase Certificates of Deposit from financial institutions designated by the NYS CDEA board.

VIII. COLLATERALIZING OF DEPOSITS

In accordance with the provisions of General Municipal Law (GML), § 10, all deposits of the NYS CDEA, including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured by a pledge of "eligible securities" with an aggregate "market value" or provided by GML, § 10, equal to the aggregate amount of deposits from the categories designated in Appendix A to the policy.

IX. SAFEKEEPING AND COLLATERALIZATION

Eligible securities used for collateralizing deposits shall be held by the depository bank and/or a third party bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure NYS CDEA deposits together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default.

It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events which will enable the NYS CDEA to exercise its rights against the pledged securities. In the event the securities are not registered or inscribed in the name of the NYS CDEA, such securities shall be delivered in a form suitable for transfer or assignment to the NYS CDEA or its custodial bank.

The custodial agreement shall provide that securities held by the bank or trust company, or agent of and custodian for the NYS CDEA, will be kept separate and apart from the general assets of the custodial bank or trust company and will not, in any circumstances, be commingled with or become part of the backing for any other deposit or other liabilities. The agreement should also describe that the custodian shall confirm the receipt, substitution or release of the securities. The agreement shall provide for the frequency of revaluation of eligible securities and for the substitution of securities when a change in the rating of a security may cause ineligibility. Such agreement shall include all provisions necessary to provide the local government a perfected interest in the securities.

PERMITTED INVESTMENTS

The NYS CDEA authorizes the Treasurer to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow needs in the following types of investments:

- Obligations guaranteed by agencies of the USA where the payment of principal and interest are guaranteed by the USA;
- All investment obligations shall be payable or redeemable at the option of the NYS CDEA within such times as the proceeds will be needed to meet expenditures for purposes for which the moneys were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the NYS CDEA within two years of the date of purchase.

XI. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

The NYS CDEA shall maintain a list of financial institutions and dealers approved for investment purposes and establish appropriate limits to the amount of investments which can be made with each financial institution or dealer. All financial institutions with which the NYS CDEA conducts business must be credit worthy. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the Association. Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers. The NYS CDEA Treasurer is responsible for evaluating the financial position and maintaining a listing of proposed depositories, trading partners and custodians. Such listing shall be evaluated at least annually.

This policy adopted by resolution of the Board of the New York State Conservation District Employees Association at a meeting held on March 13, 2024.

Policy for the Management of Funds Generated from the New York State Department of Environmental Conservation Endorsed 4-Hour Sediment and Erosion Control Online Training

(Updated January 2024)

Background:

Under the State Pollution Discharge Elimination System (SPDES) General Permit for Stormwater Discharges from Construction Activity, contractors (Trained Contractor) and Qualified Inspectors are required to complete 4 hours of New York State Department of Environmental Conservation (NYSDEC) endorsed training in the principles and practices of erosion and sediment control (E&SC) every 3 years. Soil and Water Conservation Districts (SWCDs) in New York State have promoted the NYSDEC's Stormwater Management Program through various opportunities including the NYSDEC's 4-Hour Erosion and Sediment Control Course, benefitting not only the statewide program itself, but also the participating SWCDs since the course began in 2008. This course benefits SWCDs by ensuring that developers, builders, contractors, and inspectors are knowledgeable in managing soil disturbance activities on active construction sites and allowing for enhanced training opportunities for SWCD staff. This course has been successful in generating earned income for SWCDs.

In 2016, the proposal to create an online version of this course was presented to the New York State Conservation District Employees' Association, Inc. (CDEA) where the participating SWCDs could continue to offer in-person training while the CDEA could provide an online version for professional, accessible course delivery. In turn, the funds collected through the online training would be used for SWCD training and programs that align with water quality initiatives. CDEA garnered support from NYSDEC in March of 2016 to develop the online course, and with the support of the Monroe County SWCD (MCSWCD) Board of Directors, the MCSWCD took the lead to develop the online course over a 3-year period. MCSWCD partnered with SUNY Brockport to assist with the audio of the course, NYS DEC to support the development of the course and offer review, Chemung and Ontario County SWCD for assistance in audio and review, and Seneca County SWCD (NYSCDEA Division II) for assistance with putting the course on the CDEA website and setting up online payment. CDEA launched the online course in 2019. The New York State Conservation District Employees' Association wishes to thank all individuals and organizations that have diligently worked to make this program and its resulting funding possible, including but certainly not limited to Monroe County Soil and Water Conservation District, Kelly Emerick, Josh LaFountain, Jessica Verrigni, P.J. Emerick, Jim Liebrum, Kristin White, Dave Gasper, Don Lake, and SUNY Brockport.

Mission: Per the New York State Conservation District Employees' Association By-Laws, the purposes for which the Association formed were for the mutual advancement of the interests of members to consider and deal with common problems, and to strengthen local Soil and Water Conservation Districts by providing assistance and information to local boards and employees. To that end, the CDEA has focused resources on creating and fostering opportunities for employee networking, professional development, and SWCD outreach and promotion.

Fund Use: Funds generated from the New York State Conservation District Employees' Association's New York State Department of Environmental Conservation Endorsed 4-Hour Sediment and Erosion Control Online Training shall only be utilized for SWCDs within New York State and for the below purposes including the following:

1. At the discretion of the CDEA Board, funds may be used to offset the costs for CDEA member attendance of CDEA sponsored trainings and programs, such as registration fees for SWCD staff to attend events, or to provide other funding support, like hiring outside instructors for existing or newly developed educational and technical trainings or events that currently benefit the SWCD's of New York by educating and training Soil and Water Conservation Districts. These events include but are not limited to the Conservation Skills Workshop, Administrative Conference, Leadership Institute, Water Quality Symposium, Division Meetings, or state-wide Managers' Meetings. Funding amounts will be determined by CDEA. Individual SWCDs do not apply for this item.
2. The maintenance and improvement of CDEA approved courses and the development of new courses that act as earned income financial support of CDEA's educational and technical trainings and programs. For example, paying bills associated with moving the course to a new server or paying a contractor to develop/maintain course materials.
3. Assist in providing CDEA contracting and/or staffing to support the delivery of the above activities that uphold the CDEA mission. For example, providing funding for a contract employee or contract with a Conservation District to manage the day to day CDEA business. For a SWCD to apply for this item (Item #3), CDEA must put out a Request For Proposals (RFP) that would not be open to unsolicited applications. Individual SWCDs do not apply for this item using the 4-Hour Fund Application.
4. Provide funding to SWCDs to attend, create, update and/or deliver technical education workshops or programs that will benefit all SWCD's of New York and that are supported and approved by the NYSCDEA Executive Board. For example, providing funding to a SWCD to take several trainings on the same topic and combine them into a comprehensive statewide training module that is freely available to any other SWCD in the state, or to hold a specialized training event like a leadership conference, post-flood emergency stream intervention training or other training of statewide importance. Examples include but are not limited to: In Field Grazing Training, Notary Public Exam Preparation Workshop, Permit Training for Highway Depts, QuickBooks Consultant and Technical Assistance. **Individual SWCDs can and are encouraged to apply for this item.** PLEASE NOTE: Courses taken at the Water Quality Symposium, Conservation Skills Workshop or other program already financially supported by the NYSCDEA are NOT eligible.

Funds cannot be utilized for statewide competitions. Funds are to be used for the benefit of New York State SWCD staff only.

If a program/training is created using these CDEA 4HR funds, it is expected that other SWCD employees will be able to utilize these programs at little or no cost.

A complete financial report will be compiled in the Annual Packet outlining the usage of funds.

The funds generated by this program will be housed in a separate interest-bearing account and will only be transferred out of this account once the CDEA Board deems that any use of these funds meets one of the above stated goals.

CDEA reserves the right to update this policy as necessary to utilize funding for other purposes when it is deemed to be in the best interest of the CDEA and Soil and Water Conservation Districts of New York State.

To request funding:

Under Item #4, interested SWCDs must complete and submit the 4-Hour Fund Application. All applications are due to the CDEA President at least 14 days prior to a CDEA meeting. CDEA will vote on applications at bimonthly meetings. CDEA reserves the right to reject applications. For time restrictive circumstances, a special meeting may be held to approve applications.

Awarded funding is provided on a reimbursement basis. The applicant SWCD will pay the expenses and submit copies of receipts and required post program documents to receive reimbursement.

Under extenuating circumstances (SWCD not having the funding) an applicant may request the CDEA to directly pay the expenses. In this case a written request would need to be submitted to the CDEA along with the application packet explaining the extenuating circumstance and would require CDEA Board Approval. If approved, invoices must name the CDEA as purchaser and be sent directly to CDEA for payment.

The application process includes:

- Application (Due 14 days prior to CDEA Meeting)
- Program Completion
- Post Program Summary and Final Report Form for 4-Hour Sediment and Control Online Training Funds (Due no later than one month from program completion)

Processing of 4 Hour Fund Applications – Deliver Technical Education Workshop or Program Item 4 in Policy

Applicant will complete the application to deliver technical education workshops or programs and submit to the NYSCDEA President or designee at least 14 days before the bimonthly meeting. While not required, it is highly encouraged that the applicant discusses their application with their Division Representative prior to submission. NYSCDEA President or designee will review the application and contact the Division Representative for assistance with gathering additional information/clarification from the applicant.

Application will be brought forward at the next NYSCDEA meeting for consideration. The NYSCDEA Executive Board will review applications and approve or reject the request for funds.

NYSCDEA President or designee will issue the appropriate letter/contract to the applicant per below chart:

Once the signed letter/contract is returned, NYSCDEA President or designee will enter the Program and funding

Request for funding is approved and: is less than \$10,000 and will be completed within 12 months of the award of funds	Letter of Award will be used to award the funds to the applicant
Request for funding is approved and: Is greater than \$10,000 and/or will take longer than 12 months from the award to complete	Full CDEA Contract will be developed and used to award the funds to the applicant
Request for funds is rejected	Letter of Rejection will be used to notify the applicant that the application was not funded

information into the tracking chart to be shared with the NYSCDEA Treasurer. Additionally, a copy of the signed agreement will be posted to a google drive or shared drive.

Upon Program completion, the SWCD completes the Post Program Summary and Final Report and submits to the NYSCDEA President or designee. Once NYSCDEA President or designee verifies that the Program was carried out as expected, they will sign off on the report. The report will be forwarded to the Member at Large for review/approval of expenses and signed off on. The report will then be forwarded to the Treasurer to process the approved payment.

The Post Program Summary and Final Report can be used to generate the report made available to the NYSCDEA Membership at the Annual Meeting.

*Recommending at the discretion of the NYSCDEA President, movement of funds among categories can be approved without NYSCDEA Executive Board approval. Increase of funds must be approved by the NYSCDEA.

*Recommending backdating. Applications will be allowed for consideration after the date of the event, as the forms and procedures were not in place prior to the policy being approved. Backdated application will be considered from the date the policy was approved (March 22, 2022) until the May 2023 NYSCDEA meeting. Starting May 2023, approval must be obtained prior to the Program to use 4-Hour funds.
