Joann Burke
CDEA Secretary

Good morning, CDEA!

Quickbooks Enterprise Silver purchase: Kristin logged in to the Quickbooks Online account and reported that it is miserable to use. CDEA hasn't updated our Quickbooks desktop since 2020. Kristin proposed upgrading to Quickbooks Enterprise Silver. The expense is \$1,685.70 annually, and this includes a 10% discount. If you support this purchase, my motion will need a second, then vote. I make a motion to purchase Quickbooks Enterprise Silver in the amount of \$1,685.70.

Thank you for your feedback and ideas.

As online was something we again were trying to do to help Katy, and as I also think its clunky, **I will second** upgrading to the QB desktop version. I believe Kristin has cancelled the online subscription.
